

## **APPENDICES**

## Appendix A – Figures

- List of Figures
- Figures

To be read in conjunction with:

- Appendix B: Target note descriptions
- Appendix C: Site results
- Appendix D: Glossary for Phase 1 Symbology

Figure	Settlement Name	Title
Figure 1	Overview	Settlements
Figure 2	Overview	Sites of Special Scientific Interest
Figure 3a	Bagworth	Data search information
Figure 3b	Bagworth	Extended Phase 1 Habitat map - North
Figure 3b	Bagworth	Extended Phase 1 Habitat map - Central
Figure 3b	Bagworth	Extended Phase 1 Habitat map - South
Figure 3c	Bagworth	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 4a	Barlestone / Osbaston Toll Gate	Data search information
Figure 4b	Barlestone / Osbaston Toll Gate	Extended Phase 1 Habitat Map - West
Figure 4b	Barlestone / Osbaston Toll Gate	Extended Phase 1 Habitat Map - North
Figure 4b	Barlestone / Osbaston Toll Gate	Extended Phase 1 Habitat Map - East
Figure 4c	Barlestone / Osbaston Toll Gate	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 5a	Barwell	Data search information
Figure 5b	Barwell	Extended Phase 1 Habitat Map - North
Figure 5b	Barwell	Extended Phase 1 Habitat Map - West
Figure 5b	Barwell	Extended Phase 1 Habitat Map - South
Figure 5c	Barwell	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 6a	Burbage	Data search information
Figure 6b	Burbage	Extended Phase 1 Habitat Map - Burbage Wood
Figure 6b	Burbage	Extended Phase 1 Habitat Map - North East
Figure 6b	Burbage	Extended Phase 1 Habitat Map - East
Figure 6b	Burbage	Extended Phase 1 Habitat Map - Central
Figure 6b	Burbage	Extended Phase 1 Habitat Map - South
Figure 6b	Burbage	Extended Phase 1 Habitat Map - West
Figure 6c	Burbage	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 7a	Congerstone	Data search information
Figure 7b	Congerstone	Extended Phase 1 Habitat Map
Figure 7c	Congerstone	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 8a	Desford	Data search information
Figure 8b	Desford	Extended Phase 1 Habitat Map
Figure 8c	Desford	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 9a	Earl Shilton	Data search information
Figure 9b	Earl Shilton	Extended Phase 1 Habitat Map - South

Figure	Settlement Name	Title
Figure 9b	Earl Shilton	Extended Phase 1 Habitat Map - West
Figure 9b	Earl Shilton	Extended Phase 1 Habitat Map - North and Central
Figure 9c	Earl Shilton	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 10a	Groby	Data search information
Figure 10b	Groby	Extended Phase 1 Habitat Map - South
Figure 10b	Groby	Extended Phase 1 Habitat Map - West
Figure 10b	Groby	Extended Phase 1 Habitat Map - East
Figure 10c	Groby	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 11a	Higham on the Hill	Data search information
Figure 11b	Higham on the Hill	Extended Phase 1 Habitat Map
Figure 11c	Higham on the Hill	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 12a	Hinckley	Data search information
Figure 12b	Hinckley	Extended Phase 1 Habitat Map – North West
Figure 12b	Hinckley	Extended Phase 1 Habitat Map - North
Figure 12b	Hinckley	Extended Phase 1 Habitat Map – North East
Figure 12b	Hinckley	Extended Phase 1 Habitat Map – South West
Figure 12b	Hinckley	Extended Phase 1 Habitat Map – Central West
Figure 12b	Hinckley	Extended Phase 1 Habitat Map – Central South
Figure 12b	Hinckley	Extended Phase 1 Habitat Map - Central
Figure 12b	Hinckley	Extended Phase 1 Habitat Map – Central North West
Figure 12b	Hinckley	Extended Phase 1 Habitat Map – Central North East
Figure 12c	Hinckley	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 13a	Market Bosworth	Data search information
Figure 13b	Market Bosworth	Extended Phase 1 Habitat Map - South
Figure 13b	Market Bosworth	Extended Phase 1 Habitat Map - North
Figure 13c	Market Bosworth	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 14a	Markfield and Field Head	Data search information
Figure 14b	Markfield and Field Head	Extended Phase 1 Habitat Map - North

Figure	Settlement Name	Title
Figure 14b	Markfield and Field Head	Extended Phase 1 Habitat Map - Central
Figure 14b	Markfield and Field Head	Extended Phase 1 Habitat Map - South
Figure 14c	Markfield and Field Head	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 15a	Nailstone	Data search information
Figure 15b	Nailstone	Extended Phase 1 Habitat Map
Figure 15c	Nailstone	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 16a	Newbold Verdon	Data search information
Figure 16b	Newbold Verdon	Extended Phase 1 Habitat Map – North West
Figure 16b	Newbold Verdon	Extended Phase 1 Habitat Map - South
Figure 16b	Newbold Verdon	Extended Phase 1 Habitat Map - East
Figure 16c	Newbold Verdon	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 17a	Ratby	Data search information
Figure 17b	Ratby	Extended Phase 1 Habitat Map - North
Figure 17b	Ratby	Extended Phase 1 Habitat Map - South
Figure 17b	Ratby	Extended Phase 1 Habitat Map - East
Figure 17c	Ratby	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 18a	Sheepy Magna	Data search information
Figure 18b	Sheepy Magna	Extended Phase 1 Habitat Map
Figure 18c	Sheepy Magna	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 19a	Stanton-under-Bardon	Data search information
Figure 19b	Stanton-under-Bardon	Extended Phase 1 Habitat Map - South
Figure 19b	Stanton-under-Bardon	Extended Phase 1 Habitat Map - North
Figure 19c	Stanton-under-Bardon	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 20a	Stoke Golding	Data search information
Figure 20b	Stoke Golding	Extended Phase 1 Habitat Map
Figure 20c	Stoke Golding	Wildlife corridors and areas that may qualify as Local Wildlife Sites
Figure 21a	Twycross	Data search information
Figure 21b	Twycross	Extended Phase 1 Habitat Map
Figure 21c	Twycross	Wildlife corridors and areas that may qualify as Local Wildlife Sites
