Paddock Way Circular 2

Route Guide

- 1 From Paddock Way walk along the Coventry Road to the A5 roundabout. Follow the footpath round to the left and walk alongside the A5 past the car wash towards the garage.
- 2 Just past the garage is a waymarked footpath. Turn left onto the footpath and then immediately right up onto an embankment that runs between the A5 and residential properties.
- 3 Continue along the embankment crossing an access road and then through trees to the end of this pathway. This leads you through a grassed area onto Beams Meadow. Bear right, then left then right again, turn left for a short distance and then immediately right onto Long Meadow Drive. Cut the corner across to Paddock Way back to your starting location.
