Summary of Council Tax Charges 2023/24

Council Tax 2023/24

The Council's Budget Requirement and Council Tax for 2023/24 were approved at Council on 22nd February 2023. The Council's S151 officer has delegated authority to set the Council's Taxbase.

	Total	Council Tax at Band D
	£	£
HBBC Budget Requirement 2023/24 Excluding Special Expenses and Parish precepts	12,585,649	
LESS:		
National Non-Domestic Rates Baseline	(2,887,897)	
National Non-Domestic Rates retained above the baseline	(3,714,313)	
New Homes Bonus	(581,966)	
Collection Fund Surplus	59,396	
Lower Tier Support Grant	(215,616)	
Service Grant 2022/23 only	(100,950)	
Council Taxpayer	<u>5,144,303</u>	
Divided by Taxbase 39,421.3 =		
Borough Wide Council Tax		130.50
Special Expenses	763,591	<u>19.37</u>
Total Borough Council		<u>149.87</u>
PLUS:		
Parishes	2,458,572	62.37
Leicestershire County Council	60,135,734	1,525.46
Combined Fire Authority	3,125,715	79.29
Police & Crime Commissioner for Leicestershire	<u>10,771,090</u>	<u>273.23</u>
Council Tax All Services 2023/24	<u><u>82,399,005</u></u>	<u><u>2,090.22</u></u>

£2,090.22 represents the Average Band D Council Tax payable to cover all Borough Council, Special Expense, Parish Council, County Council, Fire and Police Services. This average represents a 5.10% Increase on 2022/23

Parish Council and Special Expenses 2023/24

This part of the council tax bill covers the parish precept of each rural area and Special Expenses which are charged in the urban area of Hinckley. The charge varies between areas and covers the costs of cemeteries, parks and poop scoop schemes. Full charges for each area are shown on the next page.

The average additional Band D charge for rural parish councils is £86.86. The additional council tax in the urban Special Expense area is £68.70.

Revenue ESTIMATES

Communication, Consultation, Information Governance & Performance

The Communication, Consultation, Information Governance and Performance Team is responsible for improving communications both internally within the council and externally with the general public. The team uses customer insight methods and consultation to ensure that local people are involved in the way that services are provided and that services respond to customer needs. Responsibilities include managing:

- The production of the council newspaper, the Borough Bulletin
- The council's website, intranet and social media accounts
- The citizens' panel
- Consultation
- Accessibility
- The Staff Newsletter

The Information Management function is responsible for ensuring compliance for all formal requests received by the council for information under the Freedom of Information Act 2000, the Environmental Information Regulations 2004 and the Data Protection Act 2018.

The team accesses advice and assistance for officers, Members and the public on all information governance matters. This includes developing policies and procedures, delivering staff training, reviewing the current risks, potential risks, and changes in legislation related to Information security and data protection, and ensures organisational compliance to meet obligations arising out of the General Data Protection Regulation (GDPR)

Additionally, the team is responsible for the development, support and implementation of the council's corporate planning and performance management frameworks and systems. This includes:

- Managing the overall performance of council services,
- Managing the council's contribution to the county wide sustainable communities Strategy.
- Driving continuous improvement and developing robust risk management arrangements to ensure that appropriate safe guards and processes are in place.

The team enhance and protect the council's reputation by issuing regular press releases and information on the website and on social media, by responding to media enquiries and by ensuring that a robust system is in place for monitoring performance that is transparent and accountable to elected members and residents of the Borough.

Legal Services

Legal Services

The majority of the Council's legal service requirements are met from the in-house legal team. These services include property conveyancing, planning, contracts, housing, general prosecutions and legal advice in all areas of Council activity. The team also provides legal advisors for planning and licensing committees and any other advice arising from this support. Other major responsibilities include providing representatives for the council in the magistrates and county courts, and employment tribunals. The legal team supports in maintaining council's records in relation to its property portfolio, alongside the archiving of legal records in accordance with law society requirements. Legal services generates income from providing advice to other public sector authorities and claiming costs in accordance with the statutory requirements

Customer Services

Customer Services are responsible for delivering excellent customer care to the residents of Hinckley and Bosworth with proven levels of high customer satisfaction.

Included within this service area is the face to face element where customers are offered appointments to assist and support with their needs.

Our Contact Centre is the main section within our Customer Services department. Around 10,000 calls per month are received, in our busy call centre with approximately 70% being dealt with directly by contact centre staff, without the need to transfer customers elsewhere.

 Finance Support

This budget shows the total cost of providing central finance support services.

Accountancy

The cost of the accountancy service is recharged to users based on the amount of officer time spent on their activities. The accountancy function includes: -

- Preparation and monitoring of capital and revenue budgets
- Compilation of annual Statement of Accounts
- Development of computerised financial systems
- Financial advice to members, officers and the public
- Provide financial input into the council's corporate performance plans.
- Treasury management (borrowing and investment of funds)
- Other financial aspects (V.A.T., insurance and risk management)

Creditors

This function deals with the co-ordination of creditor payments. Approximately 12,000 invoices are processed annually with payment being made by BACS or cheque. The cost of creditors is recharged to users based on the number of invoices processed.

Exchequer Services

The exchequer team deal with the collection, banking and reconciliation of all income due to the council. The service is recharged based on the volume of transactions.

Debtors

The cost of the debtors function is recharged to users based on officer time spent on the administration and collection of sundry debts. Invoices are raised in respect of industrial estate rents, market stalls, piper lifeline, garage plots, lotteries, etc.

Internal Audit

The Internal Auditors, Mazaars, work on behalf of the Council and provide a key support and statutory service to managers and members. They review internal control systems and assist managers in good practice and the management of risk. Findings and recommendations are reported to management. Management will respond to the recommendations that are proved to be beneficial to the security of internal control systems. The auditors will continually review progress of their recommendations.

Information, Communication and Technology Support

The ICT section supports all Council services and their users across a wide range of Information, Communication and Technology areas. It refers to the entirety of activities, processes and procedures performed by the ICT section and any associated contracted suppliers to plan, design, deliver, operate and control Information and communication technology services to meet the needs of the organisation, including: desktop access, software applications, network maintenance, server management, web technologies, digital access, communication technologies and security. It also develops and maintains the technology and infrastructure to support service transformation and efficiency gains that benefit both the public and staff.

With effect from 1st January 2022 the ICT Service is now an In-House service.

Council Offices – Hinckley Hub

Hinckley Hub

The Hinckley Hub is a co-location premises leased by the Council with Leicestershire County Council, Job Centre Plus and Citizens Advice Bureau as partners occupying under licence.

Work continues to realise efficiency cost savings both in terms of hard and soft facilities contracts and collective purchasing arrangements for partners. Opportunities to maximise the use of floor space and increase revenue, continue to be investigated.

The operational budget for the Hub represents the cost of running and maintaining the offices. The Estates & Asset Management Team administers the facilities management of the offices. The costs incurred by the above obligations are recharged to the Partners and other services in proportion to the floor area occupied.

Electoral Register and Borough Elections

The discharging of the democratic process falls within this budget, including the statutory maintenance and distribution of the Register of Electors and the administration of all elections and referenda in the Borough-area.

The Register is maintained daily throughout the year by processing, verifying and determining applications to register. This is supported by data-mining of local authority data-sets to identify on-going changes and a comprehensive annual survey of all households in the Borough, known as the canvass. Maintenance of the Register also extends to the processing of applications to vote by post and proxy, and, as of 2023, processing applications for Voter Authority Certificates, a form of free photographic ID for those who intend to vote in person, but do not have an accepted document.

The administration of all elections and referenda includes, but is not limited to: the provision of polling stations for voting; the appointment of staff; the production of electoral stationery; the counting of votes; and the protection of the secrecy and integrity of the ballot at all times. As of 2023, this includes provision of resources to adjudicate photographic ID in the polling station and raising awareness of changes introduced by the Elections Act 2022.

The cost of elections and referenda to the Borough Council falls directly to the Council whilst the cost of other elections, including the services of the Council's staff used in the process, is met by the Treasury, County Council or the Parish Councils as appropriate.

General Grants

This budget covers a number of general grants provided by the Council including:

Support for Citizens Advice

Hinckley Citizens Advice provides an important service to local residents who are in need of independent advice. Citizens Advice responds to many thousands of requests for help each year, covering financial, legal or family issues. The Council recognises the value of this service to many people, and therefore provides financial support through a Service Level Agreement to ensure that this work can continue.

Support for the Voluntary and Community Sector

The local authority values the place and contribution of the voluntary and community sector (VCS), and therefore has established locality VCS arrangements, with the overall aim being to sustain our frontline VCS delivery organisations, including the establishment of a local VCS Commissioning Board, through which the local authority and other statutory agencies can directly commission the VCS. These arrangements are overseen and delivered by Next Generation, against an agreed SLA.

Local Tax Collection

The Revenues and Benefits Partnership are responsible for the billing, collection and administration of Council Tax, Business Rates, Business Improvement District Levy and overpaid Housing Benefit.

As at 1st February 2023 business rates of approximately £37.9 million are collected in respect of the 3,291 rateable properties in the district. The rateable value of non-domestic properties is currently £93,355,265.

Council Tax of £78.8 million is collected from 51,699 domestic properties within the Borough.

The Revenues and Benefits Partnership is also responsible for the administration and collection of the Business Improvement District Levy (BID). This is a business led initiative which gives local organisations the power to 'raise funds locally to be spent locally' with the aim of improving their own trading environment.

Council Tax Support

The Council Tax Support Scheme is a local scheme which helps reduce the amount of Council Tax that people on low incomes have to pay.

As at 31st January 2023, of the 51,699 households within the borough 4,888 were receiving Council Tax Support.

Since the start of this financial year up to 31st January 2023 we received and processed 1109 new claims for Council Tax Support.

The total amount of Council Tax Support paid to residents of the Borough for the financial year up to 31st January 2023 date is £5,050,005.23.

Housing Benefits

Housing Benefit will continue to be paid by this Council, on behalf of the Department for Work and Pensions, until full convergence to Universal Credit.

Housing Benefit supports those on a low income living in rented accommodation. Support is available to local authority tenants, tenants of private landlords and Housing Associations. Regulations ensure that Council's throughout Great Britain operate the scheme in a similar manner.

Since the start of this financial year up to 31st January 2023 we received and processed 301 new claims for Housing Benefit.

As at 31st January 2023, there were 2,146 tenants within the borough receiving help with their rent and the amount awarded was in excess of £9.5 million.

Industrial Estates

The Council owns and manages 89 industrial units ranging in size from 500 to 3,200 sq. ft., which are leased to small/medium enterprises. The objective of providing these units is to ensure an adequate supply of accommodation for businesses seeking to establish and expand in the Borough.

The Council also owns the freehold of 23 plots of industrial land, which are leased to businesses on a long-term basis.

The Council's industrial land and property is located at Hinckley Business Park on the Dodwells Bridge Industrial Estate; Merrylees Industrial Estate; Harrowbrook Industrial Estate (plots of land only); Sketchley Meadows on the Sketchley Lane Industrial Estate; Station Road Industrial Estate, Market Bosworth, Greenfields Business Park and Sunnyside Park on the Hinckley Fields Industrial Estate.

Miscellaneous Property

The Council own and operate C block within the Crescent development. C block consists of 8 ground floor units designated for retail and restaurant outlet use and a cinema at first floor level.

The Council also owns 6 retail properties, 4 of which are located in Hinckley town centre, and a number of miscellaneous properties. These properties form part of the Council's commercial property portfolio, which includes industrial land and units and the Atkins Building.

Atkins Building

The Council has redeveloped the former hosiery factory, being the Grade II listed Atkins Factory. The 40,000 square foot building features office space, studios, a gallery and meeting rooms.

 UK Shared Prosperity Fund

The UK Government's Levelling Up White Paper sets out an ambitious plan to transform the UK spreading opportunity and prosperity to all communities.

The Fund's investment priorities allow a high degree of flexibility to respond to our local needs. It will lead to visible, tangible improvements to the places where people work and live, alongside investment in human capital, giving communities up and down the UK more reasons to be proud of their area

Nationally the UKSFP will provide £2.6 Billion of new funding for local investment by March 2025. Hinckley and Bosworth Borough Council has an agreed allocation of £2,600,011.

The supporting Hinckley and Bosworth Investment Plan, approved by Government has identified 5 key local priorities:

1. Cost of Living challenges
2. Climate Change impacts
3. Town Centre enhancements
4. Employment & Skills
5. Health & Well Being

Parks

The Borough Councils Greenspace Team is responsible for supplying and maintaining a total of 142 hectares (350 acres) of parks and open spaces. These areas consist of mainly parks and open spaces within Hinckley, and 6 countryside sites across the Borough with 2 green flag sites Hollycroft Park and Argents Mead.

The parks and open spaces vary from a number of larger parks that provide for various recreational interest including skateboarding and bmx pursuits, play area provision to entertain all ages and the provision of sports pitches to play football and cricket.

Small open spaces within residential areas offer a small escape for residents who can relax in well maintained incidental open spaces.

Countryside Management

The Borough Councils Green Space team are responsible for the successful management of five countryside sites across the borough, some of which are located within the National Forest.

- Burbage Common and Woods Local Nature Reserve
- Hillhole Quarry
- Billa Barra Hill Local Nature Reserve
- Manor Farm and Community Orchard
- Groby Pool car park and nature area

The team also manage a number of canal side picnic areas along the Ashby Canal a popular walking venue for residents and canal users.

The Burbage Common Open day is a highlight for visitors in May, and a successful Walking for Health scheme uses the site at Burbage Common & Woods.

Cemeteries

The Green Space team provides a burial and interment of cremated remains service within Ashby Road Cemetery and maintains a comprehensive set of burial records for the site, that date back to 1858. A Book of Remembrance is also maintained on site for general viewing by members of the public and the bereaved and is accessible 365 days of the year.

Memorials are inspected in line with the current Memorial Safety Policy at Ashby Road Cemetery and to some closed churchyards. Inspections will continue for the forthcoming years, with a full comprehensive review of the policy in 2024.

The team carry out all grounds maintenance works to Ashby Road Cemetery site and to some closed churchyards within borough under our management.

Street Cleansing & Neighbourhood Wardens

The Borough Council's Corporate Plan sets out the council's priorities for the next three years. One aim is to "create a vibrant place to work and live", and clean neighbourhoods are identified as a priority in achieving this aim. This strategy sets out the ways in which the council plans to keep streets and other public spaces in the borough – in other words, our 'neighbourhoods' - clean and tidy.

Our vision for Clean Neighbourhoods

"Hinckley and Bosworth is a place with clean, tidy and litter free neighbourhoods where everyone takes responsibility for their waste and the surrounding environment"

Clean Neighbourhood Officers

Officers provide a community service to the public by focusing on people who fail to take personal responsibility to keep Hinckley and Bosworth clean, tidy and litter free priority environmental nuisances. Their priorities are set by hot spotting to identify areas with a particular problem, and they work with other agencies to prevent environmental crime.

They enforce with Fixed Penalty Notices for fly tipping, fly posting, graffiti and defacement, dog fouling, PSPO (public space protection order), littering, abandoned vehicles, nuisance parking, transportation of waste, duty of care (waste) etc.

They work in partnership with the DVLA to remove and dispose of any untaxed vehicles.

The Officers also work extensively with local businesses and local communities to prevent environmental crime, and to support everyone to take responsibility for the cleanliness of their streets. They have litter volunteers, organise "big tidy ups", and run campaigns to change peoples behaviour and reduce littering, dog fouling etc.

Clean Neighbourhood Operatives

By working in conjunction with the Clean Neighbourhood Officers the Clean Neighbourhood Operatives cleanse the Borough including the town centre, litter pick, litter bin emptying, and removing fly tipping, graffiti and fly posters removal, cleaning up dog fouling and road and pavement sweeping. The service has been delivered by the "in house" contractor since September 2003.

 Refuse Collection

The Environmental Protection Act 1990 places a duty on the Council to arrange for the collection of domestic refuse as a 'Waste Collection Authority' and this is regarded as one of the top five priority services that the Council provides. This service is provided by the Council's own "In House" service and is operated on an alternate week with recycling collections. Residents are required to present their wheeled bin at the boundary of their property with the public highway by 7am on the day of collection.

The size of bin provided is determined by the number of permanent residents within a household. An assisted collection service is available to those who experience genuine difficulty in being able to present waste to the boundary of their household. The disposal of domestic waste is the responsibility of Leicestershire County Council as the 'Waste Disposal Authority', which provides tipping facilities and meets all disposal costs and arrangements. A comprehensive kerbside recycling service helps divert waste from landfill reducing disposal costs incurred by the Disposal Authority and helping to achieve recycling targets. A chargeable service is also provided for separate collection of bulky domestic items that are too large for standard wheeled bins including white goods (fridges and freezers).

Recycling

The recycling service is one of the top five priority services that the Council provides. All households throughout the Borough receive an alternate week recycling kerbside collection service. A new wheeled bin service was introduced in April 2012 to make it more convenient for residents to recycle. The kerbside recycling service provides for collection of the following materials:

Plastic bottles, tubs and trays, cardboard, tins/cans/aerosols, glass bottles / jars, textiles, paper and drinks cartons

The dry recycling service was brought in-house from 1 April 2018 when a comingled recycling service was also introduced. The Disposal Authority arranges the contract for processing recycling materials.

At the meeting of Full Council on 18 February 2016, it was agreed to introduce a charge for the collection of garden waste (which is a discretionary service) with effect from 1 April 2016.

Business Development and Service Improvement

The aim of the Business Development and Service Improvement function is to create and maximise opportunities for income generation, improve efficiencies and diversification of services to respond to new business markets and customer needs. A competitive Trade Waste service has been developed to provide a value for money waste management solution for local businesses. Working in partnership with the Hinckley BID Manager, a free weekly Recycling Collection bag service is provided to all BID members.

This section also incorporates the recharges for operating the Market DSO, whereby salary and wages costs incurred in setting up and clearing down the weekly markets are recharged to the Markets as a 'Maintenance Contract'.

Car Parks

Street Scene Services manage 27 car parks throughout the Borough. In the immediate area of Hinckley town centre there are 19 car parks of which 16 are pay and display, 2 are permit holders only, and 1 free.

The pay and display car parks are divided into two categories; short stay and long stay. The 8 short stay car parks are generally those closer to the town centre. The tariffs are set to encourage people wishing to stay for an extended period to use the long stay thereby allowing a more rapid turnover of the short stay places for shoppers closer to town. Season tickets are available for long stay car parks.

The pay and display car park in Market Bosworth is run in partnership with Market Bosworth Parish Council.

HBBC employs the civil enforcement officers, and the penalty notices are processed by LCC.

Grounds Maintenance Team

For over 20 years the Greenspace team have provided all grounds maintenance operations to Borough Council owned land, carrying out the maintenance to parks and open spaces, cemeteries, housing sites and industrial estates and developed the service to help generate further income for the Borough Council, as well as increasing and improving the range of services provided to other council departments.

During this time the team have helped to secure the Green Flag awards for Hollycroft Park and Argents Mead through quality ground maintenance and exceptional parks management.

This page shows the operating costs of providing the service and the amounts recharged to users of the service.

Health Promotion and Arts (including Tourism)

The Health Promotion, Arts and Tourism service enables residents and visitors to engage in a range of quality cultural experiences; supports arts practitioners and the creative industries and promotes our excellent Tourism offer. The Health Promotion service, including mental health work streams, adopts an early intervention and prevention model aimed at reducing stigma and discrimination and the co-ordination of local services to provide the best offer for residents.

The service is responsive and fully contributes to local need and strategic priorities, especially in achieving a thriving economy, ensuring distinctive communities, and promoting health and wellbeing. The Health and Wellbeing service has responded to the Covid-19 pandemic by creating advice and guidance for residents to ensure healthy choices and behaviours during this difficult time.

Sports Health and Wellbeing

The aim of the service is to increase participation in sport and physical activity throughout the Borough. These support the Health and Wellbeing Partnership's aims to address health inequalities within the Borough.

This will be achieved by the delivery of the Hinckley and Bosworth Sport and Physical Activity Commissioning Plan. This plan addresses the following by

- Providing high quality sport and physical activity interventions, moving the Inactive to active, across key themes of:
 - Specialist Physical Activity Programmes (level 4)
 - Physical Activity Supported Programmes (level 3)
 - Targeted interventions
 - Setting/Place based interventions (level 2)
 - School Sport and Physical Activity
 - Population interventions, self help and signposting (level 1)
- Supporting healthy lifestyles through the promotion of physical activity, mental health and wellbeing.
- Work in partnership to deliver the Sport and Recreation Facilities Framework 2020 – 2036 for Hinckley and Bosworth, sets out a long term vision for sport and recreation facilities for our Borough. This framework focusses on the main indoor or built spaces for sport and recreation including sports halls (3+ court size), swimming pools, health & fitness facilities, artificial grass pitches and specialist sport facilities that will allow local residents to be active and healthy within their local communities.
- Develop facilities and activities, by advising on and supporting funding submissions by organisations in the borough, helping to build strong and sustainable communities. High quality sports facilities promote local identity, strengthen pride in communities and give a sense of place
- Working in partnership with Leicestershire County Council Public Health, West Leicestershire Clinical Commissioning Group (WLCCG), University Hospitals Leicester and our Leisure Contractors (Places Leisure), we will continue to run intervention programmes from level 1 – level 4 such as; Exercise Referral, Steady Steps, rehabilitation and Active Families, to name a few.
- Supporting the Countywide roll out of Lifestyle Ready

Leisure Centre

Set right in the heart of Hinckley town centre, the leisure centre includes a state of the art 144 station fitness suite, an eight court sports hall, a modern and well-equipped café and adventure soft play facility, an eight-lane 25 metre pool and a community pool both with moveable floors to ensure the pools are used by a range of swimmers. Further facilities include a family splash area, sauna and steam rooms, along with group exercise studios, a multi-purpose meeting room and a group cycling studio.

The leisure centre will act as a hub of health and wellbeing, inspiring the community of Hinckley to enjoy, and reap the many benefits of, physical activity.

The list below represents some of the key benefits:

- A fit for purpose 'state of the art' Leisure Centre facility, with a life expectancy in excess of 40 years
- Enhanced facilities for existing customers and a growing population
- Strong partnership with national leisure provider Places Leisure
- Supports the economic sustainability and vitality of Hinckley Town Centre
- A greener and environmentally friendly facility

The monitoring of the contract is the responsibility of Cultural Services who ensure compliance. This includes programming of centre activities, offering physical activity Referral programmes, measuring customer satisfaction, performance and Health and Safety. Great emphasis is placed on customer satisfaction, performance, sports development and achieving a balanced programme for the whole community to benefit from.

The Council is in receipt of a management fee from PFP, who have been awarded a 20 year contract which commenced in April 2016.

Community Safety

Community Safety contributes across all areas of the Borough Council's Corporate Plan. The team work with other local agencies to tackle crime and disorder across the borough. The community safety team services include: tackling anti social behaviour, domestic abuse support, proactive and preventative work to reduce crime and disorder and the provision of three Community houses.

Making our communities safer is a collective responsibility and a statutory duty under Section 17 of the Crime and Disorder Act 1998. The act requires Local Authorities and the Police to work in partnership with other prescribed agencies and organisations at a local level to produce and implement a strategy for reducing crime and disorder in their area and the fear of such. To increase effectiveness and efficiency of resources the partnership has opted into a merger with the Blaby Partnership. This Partnership is called the Blaby and Hinckley and Bosworth Community Safety Partnership. The Partnership produces a three-year strategy based on consultation and audits of crime and disorder in the Borough.

The aim of the Community Safety Partnership is to work together to make people and neighbourhoods safer and its key priorities are Protecting and Supporting People, Prevention and Reduction of Serious Violence and Reducing Offending and Re-offending.

Safeguarding

The safeguarding service ensures that the council meets its statutory duty in terms of safeguarding. Its primary aim is to protect people from harm. It leads on all safeguarding work across the council.

The council have a legal duty under the following legislation:

- The legal obligations concerning children and young people are underpinned by Section 11 of the Children Act 2004, including as amended by the Children and social work Act 2017. Further guidance is available from Working Together to Safeguard Children 2018.
- Under Section 42 of the Care Act 2014, the local authority has a duty to make enquiries itself or cause others to make enquiries in cases where it has reasonable cause to suspect that an adult with care and support needs is at risk of abuse or neglect.

The team leads on policy, work with partners and safeguarding boards, training, promotion, and coordination of a number of Designated Safeguarding Officers across the authority.

Children and Young Peoples Services

The aim of the Children and Young people's service is to improve the lives of children and young people in the borough by meeting a number of national and local priority outcomes, including:

- Be Healthy
- Stay Safe
- Enjoy and Achieve
- Make a Positive Contribution
- Achieve economic well being

There is also a statutory duty to meet the UN Convention on the Rights of the Child to listen to children, enabling them to participate in decisions that may affect them. The service coordinates children and young person participation work across the council.

The service develops and ensures delivery of the Council's Young People's Strategy.

Private Sector Housing

The Private Sector Housing Team provides the enforcement function, housing assistance, advice and information within both the private and social housing sector (excluding council stock). The service operates through a combination of proactive and reactive statutory work.

The range of functions includes the following:

- A strategic role relating to private sector housing
- Inspection and enforcement of standards within rented accommodation including Houses in Multiple Occupation (HMOs) i.e. flats and bedsits
- Provision of housing advice and assistance
- Provision of renovation assistance, home improvement assistance, home support grant and Disabled Facilities Grants to repair or adapt privately owned properties.
- Investigation of empty properties and encouraging their useful development
- Provision of advice for people affected by fuel poverty.
- Provision of a private Sector Leasing Scheme “tailored housing”
- Enforcing the smoke and carbon monoxide alarm (England) regulations.
- Enforcing against retaliatory eviction as part of the Deregulation Act.
- Investigating illegal eviction and harassment

Additional services offered by the Private Sector Housing Team complement the statutory functions of the team and contribute towards emerging government agendas. This includes the statutory duties associated with the Housing Act 2004 i.e. Housing Health & Safety Rating System, HMO, Empty Dwelling Management Orders and ‘Decent Homes’ in the private sector

Housing Strategy

This service ensures the Implementation of a ‘fit for purpose’ long term Housing Strategy. It sets out the priorities and actions to meet the corporate aim to provide decent and affordable homes through partnership working with Councillors, Registered Providers, Developers and the Rural Housing Enabler

 Homelessness

The Council continues to provide a comprehensive Housing Options Service to all customers facing housing difficulty. The focus of the service is on preventing homelessness wherever possible by using a variety of tools including use of the Prevention Fund, maximising opportunities on the Housing Register and mediating with parents or Landlords. There is legislation introduced in the Homelessness Reduction Act 2018 making it a statutory function to work with all applicants to assist them to preventing or relieving their homelessness situation. This is in the form of a personal housing plan (PHP), regardless of whether they are a vulnerable group. A case management approach is in place to ensure an individual receives an excellent service with regular contact and reviews to ensure the customer is acting on advice given. This work remains intensive with vulnerable applicants placed in temporary accommodation for longer periods whilst a permanent solution is found.

We have seen a demand on services increase year on year since 2019/20. In this year 616 applicants (average 51.3 applicants per month) approached the service. For 2021/22 this increased to 1002 (average 83.5) and for the first 9 months of 2022/23, the figure is at 928 (average of 97.68 applicants per month).

We have also seen numbers in temporary accommodation. On 31st December 2019 there was a total of 14 households in temporary accommodation (10 families and 4 single). As at 31st December 2022 there was a total of 53 cases in temporary accommodation (29 families and 24 singles). We are seeing an increasing number of vulnerable single adults approaching for assistance where their accommodation needs are complex meaning a delay in resolving their situation and longer in temporary accommodation. A combination of the covid pandemic, costs of living crisis and private rent reforms mean an increase in families approaching for assistance.

Forest Road Garages

The former Urban District Council provided these 32 garages on an area of land previously used as a recreation area to meet the requirements of local householders. Rents are charged for the use of these garages. The level of these rents is reviewed annually.

Contributions to HRA

The contribution relates to the use of Housing Revenue Account assets by the general public.

Markets

Located in the very heart of the town along Castle Street, Market Place and the Borough, Hinckley Market stands on Mondays, Fridays and Saturdays.

Hinckley operates a balanced market policy where wide ranges of trades are accommodated. Market day in Hinckley certainly brings out the crowds with local shopkeepers reporting that their busiest trading days coincide with the three days of the Market.

A market has been trading in Hinckley for over 700 years. Although the economic times are challenging, the council, supported by local traders, are looking to enhance and develop the market offer.

D.S.O. Housing Repairs

In September 2011 the housing repairs operation was brought back in house with the function being called “In House”. This decision was based on the desire to gather greater control of the service and to ensure better value for money.

The budgets on the next page reflect the operational costs for the “In House” service and the income charged to Housing Services to recover the operational costs.

During financial year 2019/20 the Housing Repairs service has utilised ‘In House’ to complete:

- 9015 repairs which will be completed by the In-house repairs team along with
- external painting and minor timber repairs to over 500 properties, some of which are within our sheltered schemes
- work to around 107 empty properties to bring them up to our agreed re-lettable standard
- 27 kitchens were refurbished as part of the works to empty properties
- 13 Bathrooms were refurbished as part of the works to empty properties

Emergency Planning

Part 1 of the Civil Contingencies Act 2004 establishes roles and responsibilities on public services to provide a consistent level of civil protection activity across the UK. The Act provides a basic framework defining what tasks should be performed and how cooperation should be conducted.

Under the Act Hinckley and Bosworth Borough Council is a category 1 responder and has the following statutory duties:

- Emergency Planning
- Promotion of Business Continuity Management
- Co-operation with other agencies
- Information Sharing with other agencies
- Communicating with the Public
- Advising Business

To progress these duties the Council shares an Emergency Management Officer with a neighbouring Council and who is employed through the Resilience Partnership who coordinate the Emergency Planning work of all Leicestershire Councils.

The Partnership is an active member of the Local Resilience Forum (LRF), which coordinates activities, plans, facilitates and training for all authorities in Leicestershire responsible for Emergency Planning, including Police, Fire Ambulance Service, Voluntary Sector and Health Agencies.

Local Land Charges

Local Authorities through a variety of means acquire charges against privately owned land which places a responsibility on owners to pay certain expenses or to observe conditions or restrictions in the use of the land. These charges are recorded in the Local Land Charges Register, which enables prospective purchasers, by means of a local search, to find out whether the land they propose to buy is subject to any charges. The Land Charges Section maintains the Register.

In submitting a local search, intending purchasers can also make a number of supplementary enquiries of the Authority in relation to such matters as highways, environmental health, housing, building regulations and planning. The answers to these enquiries are provided by the Council's technical departments and the County Highway Authority and co-ordinated by the Land Charges Section.

The service is now provided by Blaby District Council on behalf of Hinckley and Bosworth Borough Council.

 Environmental Health

Environmental Health covers a wide range of functions from the inspection of food premises to the investigation of noise complaints. These functions are dealt with by 2 services; Pollution and Commercial. The Licensing Service is also part of the Team.

Pollution

The pollution service investigate nuisance and public health complaints ranging from light nuisance to bonfires; the largest area of complaint is relating to noise.

Certain industrial premises are regulated by the team for emissions to the environment through a permit system. Premises receive inspections to monitor compliance with the permit.

Air quality is monitored throughout the year and reports produced annually which are submitted to DEFRA for approval.

Advice is provided on planning and licensing applications to prevent or minimise the impact of development and licensed premises on the community.

Commercial

In addition to responding to food and health and safety complaints from members of the public, the Commercial service is also proactive in food hygiene and health and safety.

There are approximately 1,200 food premises within the Borough, which require inspection under food legislation and over 1,500 premises for which the Borough Council is the enforcing authority for health and safety. The inspection of these premises is carried out on a programmed basis, the inspection frequency being dependent on the risk the particular premises present.

The Council participates in the national Food Hygiene Rating System, hosted by the Food Standards Agency. Premises are not legally required but are encouraged to display their ratings in their windows and customers can check on line. The investigation of food poisoning and other communicable diseases is also an important function carried out by the service.

Pest Control

The Council has a duty under the Prevention of Damage by Pests Act to deal with rats and mice on land and has power to require the owners or occupiers to take action. However, the main pest control activity undertaken by the Council is the provision of a comprehensive pest control service covering pests of public health significance.

The Pest Control Service has a 0.2 FTE pest control officer and a contract with a private pest control company to provide the full range of treatments.

The service mainly deals with rat infestations but also deals with other pests such as wasps, mice, fleas and bedbugs.

Annual pest control contracts are also carried out for businesses and domestic premises.

The service also provides a sewer baiting service to Severn Trent Water.

Dog Warden Services

The service deals with stray dogs, boarding/breeding licences, microchipping and responsible dog ownership promotion.

Stray dogs are seized and kennelled by service if they cannot be returned to their owner. Some strays are found outside office hours and are collected by a contractor. The current service is up to 21.00 daily and from 12:00 during weekends. During the Dog Warden's absence the contractor also provides cover during office hours.

The service is responsible for the kennelling of those dogs pending being claimed by their owner. Where dogs are not reclaimed, they pass into the ownership of the kennels who then attempt to re-home them. The cost of kennelling dogs that are reclaimed is recovered from the owner along with a statutory fee of £25 along with any vet fees incurred. Where the dog is not claimed the kennelling and vet costs fall to the Council.

Micro-chipping of dogs is provided by the service which aids in reuniting owners and dogs and also a revenue income for the authority. From April 2016 it has been mandatory for all dogs to be microchipped. This legal requirement is enforced by the service.

Licences

The licensing service issues the majority of licences that the Council are responsible for from a licence to drive and taxi to a licence to run a pub. The service works directly with licensees, the public and members of the Council. The service operates pro-actively by having an inspection programme based on risk and ensures that the Authority meets its statutory obligations under the relevant Acts and that businesses operate within the confines of the law. The service issue, renew and enforce a wide range of licences and registrations; for the most part they promote public safety and help to protect the vulnerable. Current licences issued include:

Taxi Licensing

Land Drainage

The Council possesses discretionary powers under Section 14(1) & (2) of the Land Drainage Act 1991 to improve any existing watercourse in its area. These powers are normally exercised only to relieve or prevent flooding at sites where riparian owners have no power to control the problems themselves, or where the Council has direct responsibility as riparian owner using revenue or capital funding as appropriate. The powers relating to the control of ordinary water courses and consenting of works etc are held by the County Council.

The budget provides maintenance for some of the flood lagoons still under the ownership of the council through the green space maintenance contract and for the services of an engineer to comment on Land Drainage implications within planning applications.

Emergency responses to flooding are coordinated through the Emergency Management Service at Street Scene Services with the prioritised provision of flood bags to elderly and disabled persons. An advice leaflet on protecting properties from flooding has been produced to encourage residents to take their own steps to protect their own properties.

The Council in conjunction with the Local Resilience Forum has developed local Flood Plans with three villages that are susceptible to river flooding including the appointment of local flood wardens. The wardens will provide a local response to flooding by warning at risk residents following warnings from the Environment Agency. It has also supplied supplies of flood bags to be held locally for distribution prior to likely flooding.

Building Control

The Building Control service is provided through a delegated service, the Leicestershire Building Control Partnership with five other Leicestershire districts. The team provides the following services:

1. Building Regulation Approval, including inspection of works on site
2. Enforcement of the Building Regulations
3. Register of Initial Notices
4. Register of Competent Person Notifications
5. Dangerous Structures
6. Demolition Notification

The Regulations set minimum standards in order to protect persons in and around buildings, and the wider environment, so standards exist for structural design, fire safety, contaminated land, acoustic performance, ventilation, water efficiency, drainage combustion appliances, protection from falling, thermal efficiency, access and use, electrical safety, security, and broad band access. The Regulations are also one of the key pieces of government legislation designed to contribute substantially to the reduction in greenhouse gases through the conservation of fuel and power and water efficiency.

The service pro-actively enforce the requirements of the Building Regulations on a daily basis. We do this by providing advice to customers on how best to comply, and by identifying defects through plan checks and site inspections. We may serve formal enforcement notices, or take action through the Magistrates Court.

The service also respond to complaints about dangerous buildings and structures, often working in conjunction with the 'blue light services' to make buildings safe during or after an incident. We can instruct the owner to remove the danger or undertake the works in default where the danger is immediate. Building Control can act without the need of a warrant or legal order to remove any immediate danger where an owner is not present or not willing/unable to act, and re-charge the cost to the owner. This is a service that is provided 24hrs a day, 7 days a week, 365 days a year.

 Development Management

The Development Management service is responsible for:

- Processing and determining planning applications
- Processing and determining advertisement applications.
- Processing and determining applications for works in conservation areas and to listed buildings.
- Processing and determining applications for works to trees covered by Tree Preservation Orders.
- Processing and determining applications for deemed consent and applications for prior approval.
- Taking enforcement action against unauthorised land uses and development.
- Monitoring development sites following the grant of planning permission.
- Preparing the Council's case for planning appeals against the refusal of planning permission and enforcement appeals.
- Attendance at Planning Committee meetings and other council meetings
- Attending public exhibitions and community meetings, including Parish Council Meetings.
- Attendance at Hearings / Inquiries / Court to act as an expert witness on behalf of the Council.
- Recouping of monies through the Courts in relation to the Proceeds of Crime Act.
- Providing advice on County Council applications/ proposals
- Providing a chargeable Pre-Application Advice Service including the use of Planning Performance Agreements (PPAs)
- Carrying out EIR requests.
- Providing a chargeable service for planning history and information requests.

The Development Management service is financed to a significant degree by the receipt of planning fees. These applications fees are nationally set, with the service also raising income through a pre-application service and through Planning Performance Agreements.

 Planning Policy

The Policy Team is responsible for:

- The development of planning policy including production of the Local Plan, supplementary planning documents, as well as providing an input into strategic planning (i.e. Leicester and Leicestershire Strategic Growth Plan) and the strategies and policies of other agencies.
- Carrying out public consultations and engagement with communities and other stakeholders.
- Ensure the authority meets the legal Duty to Cooperate which requires local planning authorities, county councils and other public bodies to engage constructively, actively and on an ongoing basis on cross border considerations.
- Provide advice and assistance to Neighbourhood Planning Groups in preparing Neighbourhood Development Plans, including attendance at meetings, scrutinising the draft plan for compliance with planning legislation, taking them through examination and organising referendums.
- Policy monitoring, particularly in relation to housing and employment data.
- Co-ordinating research gathering and commissioning evidence to inform policy formulation including key evidence base studies such as Housing and Economic Development Needs Assessments, Landscape Character Assessments, Employment Land Studies, Sustainability Assessments and Retail Capacity Studies.

Economic Development (Major Projects)

The Economic Development and Regeneration Service is responsible for:

- The Council's economic development initiatives, including the implementation of the Economic Development Strategy 2021 - 2025.
- The promotion and implementation of economic regeneration projects in conjunction with national, regional and local partner organisations.
- The submission of bids to support economic development within the borough and management of successful funding pots eg UKSPF
- Implementation of the economic aspects contained in the various Local Plan documents which promote a number of strategic development schemes in the Borough, together with those schemes highlighted in the Town Centres 'Vision' document and sites promoted in the Investor Prospectus.
- Dealing with enquiries from inward investors, local businesses and forums as well as other interested parties in relation to economic development and regeneration.
- Responsibility for the promotion of employment and skills in Hinckley & Bosworth and in particular to work with the Hinckley and Bosworth Employment and Skills Taskforce.
- Working with local business groups to organise events to explain regeneration initiatives, funding, employment training and apprenticeship opportunities to local businesses.
- Deliver the Borough Councils Environmental Improvement Programme implementing small-scale conservation/heritage improvement schemes across the whole Borough.
- Providing conservation and heritage advice including dealing with Heritage at Risk and heritage led regeneration schemes such as the Hinckley Heritage Action Zone.

Community Planning

The Community Plan details the long term vision for the Borough of Hinckley and Bosworth, and sets out the arrangements to ensure we continuously improve the quality of life for the communities of the Borough. The Plan sets out the most important challenges facing the Borough, based on evidence gathered through public consultation and research.

A range of key multi agency delivery partnerships are in place, who deliver on the Community Plan priorities. Each delivery partnership has its own governance arrangements, including performance management, and ongoing consultation and research to understand emerging priorities, to inform their delivery plans.

Housing Revenue Account ESTIMATES

Housing Revenue Account Estimates

Housing Revenue Account (HRA)

The budgets included in the HRA relate to the Council's responsibilities as landlord for approximately 3,300 properties. As the landlord of these properties we have responsibility for ensuring that empty properties are allocated efficiently and in accordance with Housing Allocations policy and legislation and to manage and repair the properties effectively.

The Borough Council is required by Section 74 of the Local Government and Housing Act 1989, as amended by the Local Government Act 2003, to keep a "Housing Revenue Account". This is, in effect the account of the landlord dealing with his own dwellings. Expenditure relates to supervision and management, repair and maintenance and the cost of borrowing to finance the provision, conversion or improvement of Council dwellings. The income to the account consists of rents and charges, interest from mortgages on dwellings sold under the Right to Buy and on revenue account cash balances. Interest on capital receipts is not credited to this account.

The concept of "Ring Fencing" is often quoted in connection with the Housing Revenue Account. It simply means that, as a general rule, there should be no contributions (as distinct from recharges) to or from other funds of the Authority. One exception to this rule is where facilities provided for Council tenants are made available for use by the community at large.

Supervision and Management is divided into two categories and subsidiary holding accounts are maintained to analyse cost of "General" activities and "Special" activities,

General activities in supervision and management of council housing include:

- Keeping a housing waiting list
- Allocating council properties
- Collecting rents from tenants
- Managing tenancies and enforcement of tenancy conditions
- Dealing with anti-social behaviour
- Supporting tenants to manage their tenancies

Special activities in supervision and management of council housing include:

- Managing the councils sheltered schemes for older people
- Providing scheme managers
- Providing a 24 hour control centre which responds to emergency calls from older and vulnerable tenants
- Managing the council house estates

Although repair and maintenance expenditure may be charged directly to the Housing Revenue Account, in the same way as Supervision and Management, Section 77 of the 1989 Act specifically permits local authorities to maintain a Housing Repairs Account. This enables greater clarity in the control of this sphere of landlord activity. The Borough Council has chosen to exercise this option and operates a Housing Repairs Account.

The Housing Revenue Account must make sufficient contributions to ensure that the Repairs Account does not end a financial year in overall deficit. A similar situation exists with the Housing Revenue Account itself. The 1989 Act does not permit the Account to operate in deficit. The Borough Council may not budget for an overall deficit on the HRA and were something to occur that was so unexpected that prudent balances were wiped out, steps would have to be taken immediately to remedy the situation.

The Council has also developed a Business Plan, supported by a financial model, for the next 30 years and this Budget should therefore be read in conjunction with the Plan.

THIS PAGE HAS BEEN INTENTIONALLY LEFT BLANK

Housing Supervision & Management Account

Housing Supervision & Management (General) Account

The General account relates to the part of the Housing Revenue Account which covers activities such as collecting rents, planning future housing requirements, compiling the register of applicants for accommodation, letting properties, and managing the general housing stock. A separate, similar account exists (see below) for specialised stock. The net expenditure on this account is transferred to the Housing Revenue Account.

Housing Supervision and Management (Special) Account

The Special account details the costs associated with specialised housing stock such as sheltered dwellings, alarm systems and management of Central Control, and areas outside the curtilage (the enclosed area of adjacent land) of individual dwellings. The net expenditure on this line is also transferred to the Housing Revenue Account.

The Borough Council owns and manages 11 warden assisted sheltered housing schemes covering over 350 tenancies. The Council's Central Control operates to provide 24 hour emergency cover to approximately 3,100 residents. In addition, it receives all other forms of emergency call when the Council Offices are closed.

Housing Repairs Account

The Borough Council has chosen to have such an account as it displays more clearly the cost of maintaining our council house stock.

During a typical year the Housing Repairs 'In-House' service completes:

- 9015 repairs which will be completed by the In-house repairs team along with
- external painting and minor timber repairs to over 500 properties, some of which are within our sheltered schemes
- work to around 107 empty properties to bring them up to our agreed re-lettable standard
- 27 complete kitchen renewals
- 13 bathrooms replacements

It also managed its' contractors to deliver:

- work to 140 empty properties to bring them up to our agreed re-lettable standard
- 104 complete kitchen renewals
- 559 replacement boilers, of which some of these will be to homes that are also to benefit from complete Central Heating system upgrades
- No Renewal of communal boiler in our sheltered schemes
- Conversion of 16 solid fuel heating sources to air source
- Re-covering 159 roofs
- 77 bathroom replacements
- New windows to approximately 88 homes
- Testing of over 712 electrical installations including C1 & C2 remedials
- 163 upgrades to Electrical installations
- Annual servicing of gas & solid fuel heating systems to all properties
- Responding to all reports of break downs of heating

EXPLANATION FOR VARIANCES FROM ORIGINAL ESTIMATES 2022/23

1 Programmed Repairs – 2022/23 Latest Estimates £30,000 & 2023/24 Original Estimate £54,606

2022/23 Latest Estimate

£30,000 Prior year carry forward for contractual commitments

2023/24 Original Estimate

£54,606 Inflation increases primarily on salaries, electrical testing contract and gas servicing contract

2 Responsive Repairs - 2022/23 Latest Estimate £45,000 & 2023/24 Original Estimate £188,280

£38,030 Inflationary Increase on repairs

2022/23 Latest Estimate

£45,000 Additional demand for responsive repairs primarily due to Covid catch up

2023/24 Original Estimate

£52,000 inflation increases for responsive repairs

£136,280 Additional demand for responsive repairs primarily due to Covid catch up

3 IAS19 Adjustment - 2023/24 Original Estimate (£60,650)

(£60,650)

Reversal of pension strain included within the service budgets but not charged to HRA per government regulations

4 Contribution to HRA Reserves - 2023/24 Original Estimate (£500,000)

(£500,000)

Reduction in amount required for future capital investment
