Table 9-30: Policy Performance and Effects.....	21
Table 31: Progress update of all Neighbourhood Development Plans within the Borough – as of 1 April 2020. ....	54

## 1. BACKGROUND

- 1.1. The Authority Monitoring Report (AMR) forms part of the Local Plan (2006-2026). The requirement for a local authority to produce an Authority Monitoring Report is set out in [Section 113 of the Localism Act 2011](#). The Act requires every authority to produce a report or series of reports containing information on the implementation of the [Local Development Scheme](#) (LDS), the progress and effectiveness of the Local Plan and the extent to which the planning policies set out in local development documents are being achieved.
- 1.2. Section 113 of the Localism Act 2011 requires local planning authorities to publish an AMR at least yearly in the interests of transparency. **This AMR covers the period 1 April 2019 to 31 March 2020.**
- 1.3. Section 34 of the [Town and Country Planning \(Local Planning\) \(England\) Regulations 2012](#) states what the Council's AMR should include. The key elements reported in this AMR are the implementation of the Local Development Scheme (LDS) and the progress and effectiveness of Local Plan policies. In addition this AMR will give an update on the status of Neighbourhood Development Plans (NDPs), how the local planning authority is co-operating with relevant authorities prescribed under [Section 33A of the Act](#) and the demand for self-build and custom housebuilding within the borough.

## 2. APPROACH TO MONITORING

- 2.1. The aim of the AMR is to identify whether policies and objectives set out in Local Plan documents have been achieved and whether targets and milestones outlined in the Local Development Scheme have been met. Specifically the Council will assess:
- Whether it is meeting, or is on target to meet, the milestones set out in the Local Development Scheme and, if not, the reasons why;
  - Whether Local Plan policies are being implemented or need to be reviewed;
  - What action needs to be taken if policies are not being implemented or require to be reviewed;
  - The status of Neighbourhood Development Plans within the Borough;
  - An update on the ongoing co-operation between the Council and relevant bodies under the Duty to Cooperate; and
  - The level of demand for self-build and custom housebuilding, using a range of headline outputs from the self-build and custom housebuilding register.

### **Monitoring Local Development Scheme (LDS) Implementation**

- 2.2. As required by Regulation 34 of the Town and County Planning (Local Planning) (England) Regulations 2012, the AMR must contain information on what stage documents contained within the LDS have reached in their preparation, and if the document is behind the timetable the reasons for this.
- 2.3. For this AMR period, plan progress is monitored using the key milestones and targets set out in the LDS. In August 2020 an updated LDS was adopted which replaced the updated 2018 version. This is discussed further in the LDS implementation section of this report.

### **Monitoring Local Planning Policies**

- 2.4. Policies from the adopted Core Strategy Development Plan Document (DPD), Site Allocations and Development Management Policies DPD, Hinckley Town Centre Area Action Plan DPD, and Earl Shilton and Barwell Area Action Plan DPD - in total amounting to the Local Plan 2006-2026 - have been monitored to identify which policies have been used most frequently as part of the Development Management decision making process. Those policies that have not been implemented are also monitored, with a statement of the reasons why and the steps to be taken to secure that the policy is implemented where applicable. The results of this analysis are presented in Appendix 1.
- 2.5. We are currently working on a new Local Plan which will set out land allocations and planning policies for the period 2020 to 2039. As at March 2020, the Borough Council had undertaken two consultations on the Local Plan Review, the Scope, issues and options consultation (Jan 2018 - Feb 2018) and the New Directions for Growth consultation (Jan 2019 – March 2019). Section 4 outlines the Local Development Scheme and targets as at March 2019. The most up-to-date Local Development Scheme (LDS) can be found on the Borough Council's website here: [https://www.hinckley-bosworth.gov.uk/info/856/local\\_development\\_framework/832/local\\_development\\_scheme\\_lds](https://www.hinckley-bosworth.gov.uk/info/856/local_development_framework/832/local_development_scheme_lds)

- 2.6. More detail can be found on the Borough Council's website here: [https://www.hinckley-bosworth.gov.uk/info/1004/planning\\_policy/1315/local\\_plan\\_review](https://www.hinckley-bosworth.gov.uk/info/1004/planning_policy/1315/local_plan_review)

### **Policy Performance & Effects**

- 2.7. To ensure that policies and proposals are delivering their intended aims and that the effects of their implementation meet with sustainable development objectives, relevant targets and indicators need to be devised. By monitoring these indicators, an assessment can be made as to whether the policies are achieving their objectives, and if not, whether they need to be reviewed or amended.
- 2.8. The output indicators for the Core Strategy, Site Allocations and Development Management Policies document, Hinckley Town Centre Area Action Plan and the Earl Shilton and Barwell Area Action Plan will be used to assess the performance of the relevant policies. The Site Allocations and Development Management Policies document provides the Monitoring Framework against which to test its policy performance and effects as well as that of the Core Strategy. Each of the AAPs includes bespoke monitoring frameworks which are used.
- 2.9. The assessment of policy implementation, performance and effects in Section 8 is carried out in relation to the Core Strategy DPD (2009), Site Allocations and Development Management Policies document (2016), the Hinckley Town Centre Area Action Plan DPD (2011), the Earl Shilton and Barwell Area Action Plan DPD (2014) as at 31 March 2020.
- 2.10. Neighbourhood Development Plans once 'made' become part of the Development Plan, and sit alongside the Local Plan prepared by the Local Authority. Most do not have monitoring frameworks against which its policy performance and effects can be tested. However, the policies of any made Neighbourhood plans will be monitored and reported in Appendix 1 as at 31 March 2020.

### 3. SNAPSHOT OF HINCKLEY AND BOSWORTH

3.1. The following table contains a number of key statistics and figures relating to Hinckley and Bosworth Borough Council.

**Table 1: HBBC key statistics and figures**

Area	29,735 hectares	
Population	113,136 total population (mid-year estimate 2019) <sup>1</sup>	
	Hinckley and Bosworth is ranked as the 248 <sup>th</sup> most deprived authority in the Indices of Deprivation 2015 <sup>2</sup> (out of 324 authorities with 1 <sup>st</sup> being the most deprived)	
Meeting Housing needs	Approximate number of private households in Hinckley and Bosworth <sup>3</sup>	45,377
	Households (2011) <sup>4</sup> (Owner-occupied)	34,826
	Households (private rented) <sup>5</sup>	5,156
	Households (social rented) <sup>6</sup>	4,685
	Average house price <sup>7</sup>	£216,761
Economy	People in employment (aged 16-64) <sup>8</sup>	56,500
	Employee jobs by sector <sup>9</sup>	
	Professional, managers, technical (group 1-3)	54.5%
	Administration and skilled trades (group 4-5)	19.9%
	Caring, leisure, sales and customer services (group 6-7)	15.7%
	Plant, machinery, elementary occupations (group 8-9)	9.9%
	Population holding a level 3 qualification and above <sup>10</sup>	52.8%
Population holding no qualifications <sup>11</sup>	7.4%

#### 4. LOCAL DEVELOPMENT SCHEME IMPLEMENTATION

- 4.1. This section will examine the Council's progress in terms of Local Plan (2006-2026) document production against the targets and milestones set out in the Local Development Scheme (LDS) 2016-2021, adopted December 2018.
- 4.2. The progress of the Local Plan against the LDS during the 2019/20 monitoring year is detailed in Table 2 below. This shows whether the document has met the LDS milestone or is on course to meet the milestone (green), whether any slippage has occurred or is likely to occur (yellow) or if a milestone has been missed (red).
- 4.3. Ahead of the publication of this AMR, an updated LDS was adopted on 3 August 2020. This section will also consider progress against it as it will amount to the LDS to the referred to going forward. The new LDS was developed as a result of slippage in timescales in developing the new Local Plan, the reasons for which are dealt with in relation to the LDS set out in Table 2.

**Table 2: Local Development Scheme (2016-2021) - Progress: 1 April 2019 – 31 March 2020**

<b>Key:</b>	
TM/OT	Target met/On course to meet target
SS	Some slippage has occurred or is likely
MM	Missed milestone

<b>The Local Plan DPD</b>	<b>Consultation on the Scope, Issues and Options (Regulation 18)</b>	January – February 2018	TM
	<b>Public consultation on New Directions for Growth paper</b>	January – February 2019	TM
	<b>Public consultation on Draft Plan</b>	September-October 2019	MM
	<b>Pre-Submission Modifications public consultation (Regulation 19)</b>	May – July 2020	MM
	<b>Submission to Secretary of State (Regulation 22)</b>	October 2020	MM
	<b>Estimated programmed date for Examination in public</b>	April 2021	SS
	<b>Programmed date for adoption</b>	September 2021	SS

## Explanation of progress against the Local Development Scheme

- 4.4. Public Consultation on a draft plan has been delayed due to factors that could not be envisaged at the time of writing the original LDS (December 2018). These factors include:
- The revision of the NPPF in February 2019 requiring further evidence gathering for the Local Plan;
  - The uncertainties around the Local Housing Need Standard Methodology and the population projections to be used;
  - Uncertainties on Leicester City's unmet need and how that is to be addressed across the county;
  - A change in political administration; and
  - The coronavirus pandemic
- 4.5. The revised LDS shown in Table 3 reflects the slippage that the above factors have caused. Within the updated LDS the plan period for the Local Plan Review was also changed to 2020-2039.

**Table 3: Local Development Scheme (2018-2022) - Progress: 1 April 2019 – 31 March 2020**

<b>The Local Plan DPD</b>	<b>Consultation on the Scope, Issues and Options (Reg. 18)</b>	January – February 2018	TM

	<b>Estimated programmed date for Examination in Public</b>	January 2022	OT
	<b>Programmed date for adoption</b>	October 2022	OT

## 5. HOUSING SUPPLY – 1 APRIL 2019 – 31 MARCH 2020

- 5.1. The National Planning Policy Framework (NPPF) (February 2019) requires local planning authorities to significantly boost the supply of housing. Paragraphs 59 and 60 state that;

*“To support the Government’s objective of significantly boosting the supply of homes, it is important that a sufficient amount and variety of land can come forward where it is needed, that the needs of groups with specific housing requirements are addressed and that land with permission is developed without unnecessary delay.*

*To determine the minimum number of homes needed, strategic policies should be informed by a local needs assessment, conducted using the standard method in national planning guidance – unless exceptional circumstances justify an alternative approach which also reflects current and future demographic trends and market signals.”*

- 5.2. Paragraph 73 of the NPPF also states:

*Local planning authorities should identify and update annually a supply of specific deliverable sites sufficient to provide a minimum of five years’ worth of housing against their housing requirement set out in adopted strategic policies, or against their local housing need where the strategic policies are more than five years old<sup>17</sup>. The supply of specific deliverable sites should in addition include a buffer (moved forward from later in the plan period) of:*

- a) 5% to ensure choice and competition in the market for land; or*
- b) 10% where the local planning authority wishes to demonstrate a five year supply of deliverable sites through an annual position statement or recently adopted plan<sup>18</sup>, to account for any fluctuations in the market during that year; or*
- c) 20% where there has been significant under delivery of housing over the previous three years, to improve the prospect of achieving the planned supply<sup>19</sup>.*

---

<sup>17</sup>Unless these strategic policies have been reviewed and found not to require updating. Where local housing need is used as the basis for assessing whether a five year supply of specific deliverable sites exists, it should be calculated using the standard method set out in national planning guidance.

<sup>18</sup> For the purposes of paragraphs 73b and 74 a plan adopted between 1 May and 31 October will be considered ‘recently adopted’ until 31 October of the following year; and a plan adopted between 1 November and 30 April will be considered recently adopted until 31 October in the same year.

<sup>19</sup> From November 2018, this will be measured against the Housing Delivery Test, where this indicates that delivery was below 85% of the housing requirement.

- 5.3. As the Council's Core Strategy was the strategic policy document which set the Borough's housing requirement and was adopted in 2009, it is considered that the policies specific to housing are more than five years old and therefore Hinckley and Bosworth Borough Council will be using the local housing need based on the standard method.
- 5.4. The way in which the Borough's local housing need has been calculated is detailed in the Residential Land Availability Monitoring Statement 1 April 2019-31 March 2020, which is available on our website. The Council's Local Housing need as of 1st April 2020 is **452 dwellings per annum**.
- 5.5. As mentioned in footnote 39 that accompanies paragraph 73 c) of the NPPF, the appropriate buffer to be included in HBBC's five year housing land supply is dependant on its Housing Delivery Test (HDT) results which will be published in November by Government each year with the first results being published March 2019.
- 5.6. Hinckley and Bosworth Borough Council's delivery between 1 April 2016 and 31 March 2019 was 1,456 dwellings against the 1,223 dwelling requirement. Therefore the Council passed the HDT with 119% and a 5% buffer is appropriate for the five year housing supply as of 1<sup>st</sup> April 2020.
- 5.7. The Council as of 1 April 2020 for the period 1 April 2019 to 31 March 2020 had 285 dwelling completions across the borough. Additionally the Council, as of 1 April 2020 has **5.15 years** of housing land supply. This is explained further in Tables 4 and 5.
- 5.8. Advice on the provision of affordable housing in the borough is included in the Core Strategy and the Affordable Housing Supplementary Planning Document (SPD). Under this advice, Policy 15 of the Core Strategy seeks the provision of 20% affordable housing on all sites with 15 or more dwellings or sites of 0.5 hectares or more in urban areas (Hinckley, Burbage, Barwell and Earl Shilton) and the Barwell and Earl Shilton Sustainable Urban Extensions, and the provision of 40% affordable housing on all sites of 4 or more dwellings or sites of 0.13 hectares or more in rural areas. The tenure split will be 75% social rented and 25% intermediate housing. These figures may be negotiated on a site by site basis taking into account identified local need, existing provision, characteristics of the site and viability.
- 5.9. National Planning Policy Framework, updated in February 2019, has superseded guidance relating to the rural housing targets in Core Strategy policy 15. Paragraph 63 of the NPPF states that affordable housing should only be sought on major developments, except in designated rural areas where a lower threshold may be applied.
- 5.10. Over the last monitoring year (2019/20) 116 affordable dwellings were built of varied tenures. Since the start of the plan period (2006) there have been 1,271 affordable dwelling completions.
- 5.11. More detailed information on the Council's housing supply is contained within the latest Residential Land Availability monitoring statement which is available on the Council's website at [https://www.hinckley-bosworth.gov.uk/info/856/local\\_development\\_framework/395/monitoring/2](https://www.hinckley-bosworth.gov.uk/info/856/local_development_framework/395/monitoring/2)

**Table 4: Hinckley and Bosworth Borough Council's Five Year Housing Land Supply Position as at 1 April 2020 with 5% buffer**

		<b>Dwellings</b>
a	<p>Borough Housing Requirement</p> <p>(standard method and affordability ratio)</p> <p>Total Required (x5)</p>	<p>452 dwellings per annum</p> <p>2260 dwellings</p>
b	<p>Deliverable housing supply required for 5 years with additional 5% buffer</p> <p>(5% of annual requirement of 452 dwellings = 23 dwellings)</p>	<p>475 dwellings per annum</p> <p>2,375 dwellings</p>
c	<p>Housing Supply (1 April 2020 – 31 March 2025)</p> <p>Row 2. Large Sites = 1,918 dwellings</p> <p style="text-align: center;">+</p> <p>Row 3. Small Sites + Windfall = 381 + 146 = 527 dwellings</p> <p style="text-align: center;">+</p> <p>Row 4. Barwell Sustainable Urban Extension = 0 dwellings</p> <p style="text-align: center;">+</p> <p>Row 5. Earl Shilton Sustainable Urban Extension = 0 dwellings</p>	<p>2,445</p>
d	Overprovision/Shortfall (b - c)	+70
e	Number of years supply (c / 480 dwellings per annum)	5.15

## 6. DEMAND FOR SELF-BUILD AND CUSTOM HOUSEBUILDING WITHIN THE BOROUGH

- 6.1. The [Self-build and Custom Housebuilding Act 2015](#) (as amended by the Housing and Planning Act 2016) provides the legal basis and definition for self-build and custom housebuilding. Section 1 of the Act sets out that responsibility for keeping a self-build and custom housebuilding register of individuals or associations of individuals with an interest in building or completing self-build or custom houses falls with the relevant authority, in this case Hinckley and Bosworth Borough Council. The Borough Council has maintained a register in line with the requirements set out in the Act since April 2016. The Self-Build and Custom Housebuilding Regulations 2016 came into force 31 October 2016. As a result, the period for monitoring self-build and custom housebuilding interest falls between 31 October and 30 October the following year, save the first year which commenced at the point at which the Borough Council began the register (April 2016).
- 6.2. [National Planning Practice Guidance](#) encourages relevant authorities to publish, in their Authority Monitoring Report, headline data on the demand for self-build and custom housebuilding revealed by their register and, where relevant, other sources. It stipulates that such information can include, but is not limited to:
- The number of individuals and associations on the register;
  - The number of serviced plots of land sought; and
  - The preferences that people on the register have indicated, such as general location, plot sizes and types of housing intended to be built, where this information has been requested by the Borough Council and provided by an applicant.
- 6.3. The table below contains relevant information which can be used to quantify the level of demand for self-build and custom housebuilding within the borough. Given that this is the first time this information has been monitored, it provides the total situation up to 31 March 2020. This will become the baseline against which future AMRs will be able to compare. The Self-Build Register is monitored in base periods 1<sup>st</sup> November to 31<sup>st</sup> October, however for this AMR it is monitored up to 31 March 2020.

**Table 6: Self-Build and Custom Housebuilding Register - Headline outputs to 31 March 2020**

Information	Output (as at 31 March 2020)	
Number of individuals or associations on the register	64	
Number of plots of land sought	64	
Number of plots not yet identified (where applicants indicate they do not yet have a plot)	58	
Number of preferences for rural location (where a clear preference is made for this within the application)	16	
Number of preferences for urban location (where a clear preference is made for this within the application)	8	
Number of individuals or associations potentially interested in building in a group	7	
House type preferences	Detached	64
	Semi-detached	0
	Terraced	0
	Other	0

- 6.4. Currently there are 5 individuals or associations who have registered interest in 5 un-serviced plots, but are exempt from the register. They are exempt because they have specifically requested un-serviced plots.
- 6.5. Future AMRs will continue to record this data at these intervals in order to help measure demand.
- 6.6. Currently there have been five permissions granted as Self-build or custom build dwellings within the Borough since the start of the register.

## 7. THE BOROUGH COUNCIL'S DUTY TO COOPERATE

- 7.1. The Localism Act 2011 requires Local Planning Authorities (LPAs) to cooperate with each other and with other public bodies to address those planning issues that are strategic in their area.
- 7.2. The Localism Act also requires LPAs to “*engage constructively, actively and on an on-going basis*” to develop strategic policies and consider joint approaches to plan making where appropriate. The Duty to Co-operate came into effect on 15th November 2011.
- 7.3. The NPPF paragraph 20 provides details regarding the expectations of strategic policies and what they should provide. The LPA has a duty to co-operate on strategic issues and these policies should be considered as strategic priorities.
- 7.4. The Town and Country Planning (Local Planning) (England) Regulations 2012 require that the LPA's Authority Monitoring Report must give details of what action has been taken during the monitoring period to satisfy the Duty to Co-operate.
- 7.5. Hinckley and Bosworth Borough Council has undertaken a considerable amount of engagement activity and discourse with neighbouring local authorities within this period, both individually and as part of planning groups and forums on a sub-regional basis. A large number of public and private bodies and the local residential and business communities have also been regularly engaged and consulted throughout the plan-making process. The key cross boundary work streams are set out in table 7 below, whilst table 8 sets out the regular duty to cooperate meetings that Hinckley and Bosworth Borough Council are involved in.

**Table 7: Duty to Cooperate matters in collaboration with others**

Topic	Co-operated with	Time Frame

## **8. POLICY PERFORMANCE AND EFFECTS**

- 8.1. A key requirement of the Authority Monitoring Report (AMR) is to assess whether the policies set out in Local Plan documents are achieving their objectives.
- 8.2. To ensure that policies are delivering their intended aims and that the effects of their implementation meet with sustainable development objectives, relevant targets and indicators need to be devised. By monitoring these indicators, an assessment can be made as to whether the policies are achieving their objectives, and if not, whether they need to be reviewed or amended.
- 8.3. The output indicators reported in this AMR will be for the Core Strategy, Site Allocations and Development Management Document, Hinckley Town Centre Area Action Plan, Earl Shilton and Barwell Area Action Plan, Market Bosworth Neighbourhood Plan and Sheepy Neighbourhood Plan. An assessment of the performance of the framework of indicators has been completed, with the results outlined in the following section.

### **Output Indicators**

- 8.4. As outlined in Section 2, policy performance and effects are monitored using a framework of indicators. The monitoring framework was established as part of the Core Strategy 2009. This document was then reinforced by the Site Allocations and Development Management Policies DPD 2016. The Site Allocations and Development Management Policies DPD does not have its own set of strategic objectives because its purpose is to deliver those of the Core Strategy, therefore much of the framework as set out originally within the Core Strategy 2009 remains unchanged. The two documents are monitored alongside one another.
- 8.5. The only two adopted neighbourhood plans in Hinckley and Bosworth are Market Bosworth Neighbourhood Plan and Sheepy Neighbourhood Plan. These documents do not have their own set of strategic objectives or monitoring framework as its purpose is to build upon the core documents of the Local Plan.

8a	To achieve an annual increase in the percentage of people who are satisfied with their local area as a place to live	Satisfaction with the local area as a place to live	Authority Monitoring Report: Annual Satisfaction Survey	Not returned	This is no longer a part of the satisfaction survey. Therefore this can no longer be returned.
8b	To achieve an annual reduction in the percentage of total recorded crime offences	Total recorded crime offences	Authority Monitoring Report: Local Performance Indicator LI20	6564 recorded crime offences  (Decreased from 7022 in 2018/19)	The paragraph below from Office of National Statistics advises that caution should be used when using police data solely as a reliable measure of trends:  Police recorded crime is not currently considered a reliable measure of trends in crime for most crime types, since it is

					<p>prone to changes in recording practices and police activity as well as changing behaviour in public reporting of crime. As a result, trends will not always reflect changing levels of criminal activity. Apparent increases in police recorded crime over the last 2 years may reflect a number of factors, including tightening of recording practice, process improvements, increases in reporting by victims and also genuine increases in the levels of crime. It is often difficult to disentangle these different factors.</p> <p><a href="https://www.ons.gov.uk/peoplepopulationandcommunity/crimeandjustice/bulletins/crimeinenglandandwales/yearendingdec2016">https://www.ons.gov.uk/peoplepopulationandcommunity/crimeandjustice/bulletins/crimeinenglandandwales/yearendingdec2016</a></p>

## HINCKLEY TOWN CENTRE AREA ACTION PLAN

- 8.6. The adopted Hinckley Town Centre Area Action Plan DPD contains a monitoring framework of indicators designed to assess the extent to which policies contained within the document are being achieved and if targets are being met. The 2019/20 returns for the indicators contained within the Hinckley Town Centre Area Action Plan Monitoring Framework are provided within Tables 21 to 28. Some of the indicators contained within the Area Action Plan are also returned in the Site Allocations and Development Management Policies DPD Monitoring Framework, and where this is the case it is stated in the relevant table.
- 8.7. The Hinckley Town Centre Area Action Plan provides the direction required to meet the targets of Spatial Objective 2 – increasing and improving the accessibility of the town centre.
- 8.8. In 2017 a brand new monitoring system was introduced for footfall count in the Town Centre. The new system, 'Geo-Sense', picks up a signal from mobile phones so is significantly more accurate and records data at various locations including The Crescent – it is also able to identify unique visitors from returning ones. The 2017 AMR provided a return that has formed the baseline for comparison going forward.
- 8.9. The Area Action Plan guides development into strategic development areas which will significantly improve the retail provision in the town centre in line with Spatial Objective 3. The Area Action Plan has also facilitated the delivery of a cinema and other leisure uses at the Bus Station and The Crescent.
- 8.10. A list of bus services is contained within Appendix 2.

---

## **EARL SHILTON AND BARWELL AREA ACTION PLAN**

- 8.11. The adopted Earl Shilton and Barwell Area Action Plan DPD contains a monitoring framework of indicators designed to assess the extent to which policies contained within the document are being achieved and if targets are being met. Only those indicators for Spatial Objective 5 have been reported (Table 29) as the remainder deal specifically with the development of the Sustainable Urban Extensions (SUEs), which have not yet been granted planning permission. When these applications have been approved, they will be reported in the relevant monitoring year.
- 8.12. The Earl Shilton and Barwell Area Action Plan was adopted September 2014 and was created to help guide the Council, developer and others investing in the future of Earl Shilton and Barwell in the period to 2026 in providing a development framework for two sustainable urban extensions.

**Table 30: Spatial Objective 5 – To increase and improve the range of retail in Earl Shilton and Barwell and ensure that the centres are capable of accommodating an increased number of visitors from the growing population. The centres will continue to support the role of Hinckley as the sub regional centre (Policies 2, 6, 9, 12, 15, 19 & 26)**

Ref.	Target	Output Indicator	Source	Return 2019/20	Comments
5a	Annual decrease in the % of vacant shops within District Centres	% of vacant shops in District Centres	Authority Monitoring Report: Local Indicator	Earl Shilton District Centre vacancy rate as at March 2020 was 7.48%  Barwell District Centre vacancy rate as at March 2020 was 2.78%	Earl Shilton vacancy rate as at March 2019 was 5.97% therefore the rate has increased by 1.51%.  Barwell vacancy rate has decreased by 0.08%.
5b	Improve the range of retail provision within District and Neighbourhood Centres	Number and type of retail premises in District and Neighbourhood Centres	Authority Monitoring Report: Local Indicator	Not returned	The District, Local and Neighbourhood Centre Review was published by the Borough Council in February 2012 and was reviewed in January 2015. The intention is that the document is reviewed every two years and any loss of services is reported in AMRs on the basis of its findings. However, a review was not carried out in 2019 and therefore there has been no updated return for 2019/20.  A review will be carried out to aid in the production of the new Local Plan and reported on in future AMRs.

Ref.	Target	Output Indicator	Source	Return 2019/20	Comments
5c	Delivery of Environmental Improvements within District Centres	Delivery of Environmental Improvement Schemes	Authority Monitoring Report: Local Indicator	Not returned as no further improvements implemented since last AMR	No further improvements have been implemented.  It is expected that Barwell are likely to secure S106 contributions in the next monitoring year from the Signed S106 for the SUE.
5d	Enabling the development of Neighbourhood Centres in SUEs	Planning permission for Neighbourhood Centres in SUEs.  Development of Neighbourhood Centres	Authority Monitoring Report: Local Indicator	Not returned as planning permission has not yet been granted for either SUE.	N/A

## 9. NEIGHBOURHOOD DEVELOPMENT PLANS

- 9.1. Section 34 of the Town and Country Planning (Local Planning) (England) Regulation 2012 states that where a local planning authority have made a neighbourhood development plan, the local planning authority's monitoring report must contain details of these documents.
- 9.2. Table 30 outlines the Council's current position in respect of all active Neighbourhood Development Plans within the Borough when the position is known. The Borough Council is responsible for its statutory undertakings in relation to the development of Neighbourhood Development Plans and provides thorough guidance and advice to groups as required and appropriate. A service level agreement was confirmed and commenced in June 2017 between the Borough Council and Rural Communities Council (RCC), and was subsequently refreshed in 2019, who play a supporting role in facilitating the Neighbourhood Development Plan process alongside the Borough Council, in particular the RCC are responsible for advising groups from the very early stages of forming a group through to the Pre-Submission stage. Following this the statutory responsibilities means the Borough Council is heavily involved from Submission through to Referendum.
- 9.3. Service-level agreement's (SLA) were entered into with certain neighbourhood plan last year. A detailed update is given below.

**Table 31: Progress update of all Neighbourhood Development Plans within the Borough – as of 1 April 2020.**

Parish/Forum	Area Designation Date	Status	Progress update (as of 1 April 2020)
Bagworth, Thornton and Stanton under Bardon	June 2017	Development stage	Joint Parish NDP (Bagworth & Thornton and Stanton under Bardon). Preparation of first full draft of plan for Strategic Environmental Assessment screening and Regulation 14 Pre-Submission Consultation.
Barlestone	May 2017	Development stage	Preparation of first full draft of plan for Strategic Environmental Assessment screening and Regulation 14 Pre-Submission Consultation.
Burbage	February 2014	Examination	Examination underway. Public hearing held at Hinckley & Bosworth Borough Council on Tuesday 3 <sup>rd</sup> March. As of April 2020 – expecting the Examiners report imminently.
Desford	September 2015	Examination	Submission consultation concluded, plan at Examination. As of April 2020 – expecting the Examiners first set of clarification questions imminently.
Market Bosworth	February 2013	Made	Market Bosworth Neighbourhood Development Plan was made 4 September 2015. As of April 2020 -

			Producing supplementary evidence to support future review.
Markfield	April 2017	Development stage	Preparation of first full draft of plan for Strategic Environmental Assessment screening and Regulation 14 Pre-Submission Consultation.
Newbold Verdon	July 2016	Examination	Submission consultation concluded, plan at Examination. As of April 2020 – expecting the Examiners first set of findings imminently.
Sheepy	October 2015	Made	Sheepy Parish Neighbourhood Development Plan was made 19 March 2019.
Stoke Golding	May 2016	Development stage	Preparation of first full draft of plan for Strategic Environmental Assessment screening and Regulation 14 Pre-Submission Consultation.
West Clarendon Neighbourhood Forum – Hinckley	29 May 2014	Expired	Forum and neighbourhood area expired May 2019 after 5 years of inactivity. Neighbourhood Area and Forum disbanded by the Borough Council on 29 <sup>th</sup> May 2019.
Witherley	March 2017	Development stage	Preparation of first full draft of plan for Strategic Environmental Assessment screening and Regulation 14 Pre-Submission Consultation.
Dadlington	October 2019	Development stage	Starting stages of forming groups and gathering support/planning consultant.

Up to date information on all of our Neighbourhood Plan's can be found on the [council's website](#).

9.4. The two made plans in the above table are Sheepy and Market Bosworth. The use of the policies within these plans has been reported in Appendix 1.

## 10. INFRASTRUCTURE FUNDING STATEMENT

- 10.1. When implementing certain types of planning permissions (most notably major residential schemes), developers are required to make financial contributions towards providing or improving local infrastructure. These contributions are used to mitigate the impact of the development on local community facilities and can be requested where they are supported by planning policies and meet the three tests in Regulation 122 of the CIL Regs 2010. Examples of contributions levied by the Council include the improvement of local parks (play and open space), police contributions and health facilities.
- 10.2. New legislation namely the Community Infrastructure Levy (Amendment) (England) (No. 2) Regulations 2019 came into effect on 1st September 2019 and introduced a few changes. The changes relevant to Hinckley and Bosworth Borough Council as a non-CIL Charging authority are as follows:
- Regulation 123 (Further limitations on use of planning obligations) has been deleted so there is no limit as to the number of planning obligations that could be used to fund a single infrastructure project which means that pooling restrictions have been removed. Previously only five contributions could be asked for one infrastructure project;
  - Regulation 122 (Limitation on use of planning obligations) has been amended to make clear that subject to certain conditions a local planning authority is allowed to include a monitoring fee in agreements under section 106.
- 10.3. Regulation 9 Annual Infrastructure Funding Statements and CIL Rate Summary introduces Part 10A (Reporting and monitoring on CIL and planning obligations) Regulation 121A requires Local Authorities that receive developer contributions to publish an Annual Infrastructure Funding Statement which must state the following:
- A statement of infrastructure projects or types of infrastructure which the Council intends will be wholly or partly funded by S106; and
  - A report about planning obligations, in relation to the previous financial year which includes:
    - Amount of money to be provided under any planning obligations entered in to;
    - Total amount of money received;
    - Total amount of money received before the previous financial year which has not been allocated;
    - Summary of non-monetary contributions in relation to affordable housing (units);
    - Total amount of money received which was allocated but not spent;
    - Total amount of money which was spent by the Council (including those transferred to another party – parish council etc);
    - Total amount of money which was allocated by the Council and not spent; and

- The total amount of money during any year which was retained at the end of the last financial year and where that money has been allocated for the longer term maintenance.
- 10.4. The Infrastructure Funding Statement will be published annually. The report will only report on Planning Obligations that Hinckley and Bosworth Borough Council collect themselves. Leicestershire County Council will report on the planning obligations they collect separately.
- 10.5. Hinckley and Bosworth's first IFS will be published in 2021 and therefore next year's AMR will report on the findings.

**APPENDIX 1. USE OF LOCAL PLAN POLICIES FROM 1 APRIL 2019 TO 31 MARCH 2020**

**CORE STRATEGY DPD POLICIES USED DURING 2019/20:**

Policy	Objective	Times used in 2019/20
Policy 1 – Development in Hinckley	To support Hinckley’s role as a sub-regional centre	79
Policy 2 – Development in Earl Shilton	To support the regeneration of Earl Shilton	29
Policy 3 – Development in Barwell	To support the regeneration of Barwell	16
Policy 4 – Development in Burbage	To address the small pockets of deprivation in Burbage and support Hinckley’s role as a sub-regional centre	42
Policy 5 – Transport Infrastructure in the Sub-regional Centre	To provide transport interventions to support the additional development in an around the Hinckley sub-regional centre	2
Policy 6 – Hinckley/Barwell/Earl Shilton/Burbage Green Wedge	To encourage uses that provide appropriate recreational facilities within easy reach of urban residents	7

Policy 24 – Sustainable Design and Technology	To ensure all development in Hinckley, Burbage, Barwell and Earl Shilton meet Code for Sustainable Homes and BREEAM (or equivalent) requirements	4

**SITE ALLOCATIONS AND DEVELOPMENT MANAGEMENT POLICIES DPD  
POLICIES USED DURING 2019/20:**

Policy	Objective	Times used in 2019/20
SA1 – Safeguarding Site Allocations	To safeguard sites identified as having planning permission for the same land use(s) and quantum of development in the event planning permission expiry.	1
SA3 – Land at Brookfield Road and Sketchley Brook, Burbage	To set out requirements of the allocation in relation to specific issues identified.	3
DM1 – Presumption in Favour of Sustainable Development	Against this policy the Council, when considering development proposals, will take a positive approach that reflects the presumption in favour of sustainable development.	859
DM2 – Delivering Renewable energy and Low Carbon Development	To provide support to and set out controls over new renewable energy and low carbon development installations at all scales.	3
DM3 – Infrastructure and Delivery	To ensure the appropriate level of infrastructure provision is secured.	98
DM4 – Safeguarding the Countryside and Settlement Separation	To safeguard the countryside from unsustainable development.	223
DM5 – Enabling Rural Worker Accommodation	To safeguard the countryside from inappropriate development.	3
DM6 – Enhancement of Biodiversity and Geological Interest	To ensure the appropriate conservation and enhancement of features of nature conservation and geological value.	95
DM7 – Preventing Pollution and Flooding	To prevent adverse impacts from pollution and flooding.	122
DM8 – Safeguarding Open Space, Sport and Recreational Facilities	To safeguard open space, sport and recreational facilities.	15
DM9 – Safeguarding Natural and Semi-Natural Open Spaces	To safeguard natural and semi-natural open spaces and ensure developments within or affecting such spaces seek to retain and enhance accessibility to them.	3
DM10 – Development and Design	To ensure high quality and sustainable design in new development.	865
DM11 – Protecting and Enhancing the Historic Environment	To protect, conserve and enhance the historic environment throughout the borough.	208

DM12 – Heritage Assets	To ensure that all development proposals affecting heritage assets and their settings continue to protect or enhance them, in accordance with DM11 – Protecting and Enhancing the Historic Environment.	200
DM13 – Preserving the Borough’s Archaeology	To ensure new development preserves the borough’s archaeological assets where applicable.	54
DM14 – Replacement Dwellings in the Rural Area	To provide limited provision for supporting replacement dwellings in rural areas.	7
DM15 – Redundant Rural Buildings	To provide limited provision for supporting the re-use and/or adaptation of redundant or disused rural buildings.	18
DM17 – Highways and Transportation	To ensure new development does not lead to significant adverse impacts upon highways safety and function.	408
DM18 – Vehicle Parking Standards	To ensure appropriate levels of parking provision for new development.	553
DM19 – Existing Employment Sites	To safeguard the most valuable and appropriate existing employment sites.	23
DM20 – Provision of Employment Sites	To provide limited provision for supporting the development of new employment sites outside of allocations.	11
DM21 – Locating Sustainable Town Centre Uses	To ensure the appropriate locating of town centre uses through the sequential approach.	18
DM22 – Vitalising District, Local and Neighbourhood Centres	To help promote a strong rural economy through the appropriate retention and development of local services and shops.	16
DM23 – High Quality Shop Fronts and Advertisements	To maintain high levels of design and ensure local distinctiveness in new and refurbished shop fronts and to ensure outdoor advertisements are appropriately designed and placed.	35
DM24 – Cultural and Tourism Facilities	To support the retention of existing and development of new cultural and tourism facilities.	9
DM25 – Community Facilities	To support the retention of existing and development of new community facilities.	23

**SITE ALLOCATIONS AND DEVELOPMENT MANAGEMENT POLICIES DPD  
POLICIES NOT USED DURING 2019/20:**

Policy	Objective	Comments
SA2 – Land West of Hinckley, Normandy Way, Hinckley	To set out requirements of the allocation in relation to specific issues identified.	No application has been determined for this allocation within this monitoring period. Builders are on site.
SA4 – Former Dunlop Factory, Station Road, Bagworth	To set out requirements of the allocation in relation to specific issues identified.	No application has been determined for this allocation within this monitoring period. This site has been built out.
SA5 – Land South of Station Road and Heath Road, Market Bosworth	To set out requirements of the allocation in relation to specific issues identified.	No application has been determined for this allocation within this monitoring period.
DM16 – Telecommunications	To provide limited provision for supporting the provision of essential infrastructure for telecommunications.	No telecommunications applications were determined within this monitoring period.

**HINCKLEY TOWN CENTRE AREA ACTION PLAN POLICIES USED DURING 2019/20:**

Policy	Objective	Times used in 2019/20
Policy 6 – Leisure Centre	To enable redevelopment in this geographical location	1
Policy 10 – North Warwickshire and Hinckley College Sites	To enable redevelopment in this geographical location	1
Policy 11 – Public Realm Improvements	To seek contributions from developers and other partners for the implementation and maintenance of specific public realm improvements	2
Policy 12a – Area of Mixed Uses, Upper Bond Street	To ensure development proposals within this area retain architecturally significant buildings where appropriate and to retain employment uses where viable	1
Policy 13 – Hinckley Town Centre Shopping Areas	To protect the vitality and retail integrity of the town centre's retail core and provide guidance on acceptable uses along primary and secondary shopping frontages and within the Town Centre. Guidance on shop frontages and security features is also provided	5

**HINCKLEY TOWN CENTRE AREA ACTION PLAN POLICIES NOT USED DURING 2019/20:**

Policy	Objective	Comments
Policy 1 – Compulsory Purchase Orders	The Council will use Compulsory Purchase Orders to bring forward the identified key development sites where negotiations and partnerships have not been successful	Sites that have been brought forward have not needed the use of the Compulsory Purchase Order powers and therefore there has not been a requirement to use Policy 1.

Policy 2 – Stockwell Head / Concordia Theatre Strategic Development Area	To enable redevelopment in this geographical location	No planning applications have been determined within the geographical location within this monitoring period.
Policy 3 – Atkins Factory Strategic Development Area	To enable redevelopment in this geographical location	No planning applications have been determined within the geographical location within this monitoring period.
Policy 4 – Britannia Centre / Castle Street Strategic Development Area	To enable redevelopment in this geographical location	No planning applications have been determined within the geographical location within this monitoring period.
Policy 5 – Land north of Mount Road	To enable redevelopment in this geographical location	No planning applications have been determined within the geographical location within this monitoring period.
Policy 7 – Rugby Road / Hawley Road	To enable redevelopment in this geographical location	No planning applications have been determined within the geographical location within this monitoring period.
Policy 8 – Railway Station / Southfield Road	To enable redevelopment in this geographical location	No planning applications have been determined within the geographical location within this monitoring period.
Policy 9 – Bus Station	To enable redevelopment in this geographical location	No planning applications have been determined within the geographical location within this monitoring period.
Policy 12b – Transco HQ / Jarvis Porter	To retain a proportion of employment uses on this site	No planning applications have been determined within the geographical location within this monitoring period.
Policy 14 – Retail Development Outside Hinckley Town Centre	To ensure retail development that is of a type and size which will not have a significant adverse impact on the vitality and viability of the town centre's Primary Shopping Area	There have been no retail applications determined that is outside of the Hinckley Town Centre boundary and of a type and size which would have a significant adverse impact.
Policy 15 – Transport Infrastructure Delivery	To ensure developers make either direct provision of	18/01237/FUL is the only major development approved within the

and Developer Contributions	infrastructure or provide contributions through Section 106 agreements	Town Centre Boundary within this monitoring year. Highways contributions were received through Policy DM3 of the SADMP.
Policy 16 – Cycle Routes	To improve the attractiveness of cycling to and within Hinckley town centre by implementing cycle route signage through developer contributions where necessary	There have been no applications determined within the Hinckley Town Centre boundary that improved the cycle routes.

**EARL SHILTON AND BARWELL AREA ACTION PLAN POLICIES USED DURING 2019/20:**

Most of the policies have not yet been used as they are very much aimed towards the SUEs, which have not yet been granted planning consent. However there are policies which are not specific to the SUEs but development within Barwell and Earl Shilton as a whole. Some of these have been used, and where they have not, a brief explanation of their lack of use is contained in the 'policies not used' table.

Policy	Objective	Times used in 2019/20
Policy 19 – Regeneration of the District Centres	To enable the regeneration of the District Centres of Earl Shilton and Barwell.	This policy is not exclusive to the development of the SUEs. The policy has been used twice in this monitoring year.
Policy 22 – Development and Design	To ensure a high standard of design and attractive development	19
Policy 23 – Existing Employment Sites	Seeks to protect and enhance existing employment sites.	2
Policy 24 – Safeguarding Community Facilities	Seeks the provision and retention of existing community facilities.	1
Policy 26 – Vitalising District, Local and Neighbourhood Centres	Seeks to provide additional retail provision in existing vacant premises and protect existing retail premises.	4

**EARL SHILTON AND BARWELL AREA ACTION PLAN POLICIES NOT USED DURING 2019/20:**

Policy	Objective	Comments
Policy 1 – Sustainable Urban Extensions (SUE)	To identify areas of the Borough that are subject to the SUE designation.	No planning applications have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 2 – Provision of Community Facilities	To ensure contributions towards the enhancement and provision of community facilities within the equivalent settlements.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.

Policy 3 – Primary, Secondary and Upper Education Provision	Development will contribute to additional pupil capacity at existing education facilities equivalent to the need arising from development and new primary schools in the SUEs.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 4 – Provision of Indoor Sports and Leisure Facilities	Seek contributions towards indoor sports and leisure facilities where the need arises from the SUEs.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 5 – Waste Management Provision	Development will contribute towards waste management capacity equivalent to the needs arising from the SUEs.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 6 – Earl Shilton Urban Extension	Development of the urban extension is to follow the Development Framework.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 7 – Housing in Earl Shilton Urban Extension	A minimum of 1600 homes will be provided within the Earl Shilton SUE.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 8 – Employment in Earl Shilton Urban Extension	Development will provide a minimum of 4.5ha of employment land.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 9 – Neighbourhood Centre in Earl Shilton Urban Extension	A neighbourhood centre will be provided at the heart of the SUE.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 10 – General Highways Provision for Earl Shilton Urban Extension	Outlines the highway provision required for the SUE.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 11- Walking and Cycling in Earl	Outlines the walking and cycling routes to be extended/improved in relation to the SUE.	No planning applications for the SUEs have been determined within this

Shilton Urban Extension		geographical area and therefore the policy has not needed to be used.
Policy 12 – Barwell Urban Extension	Development of the urban extension is to follow the Development Framework.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 13 – Housing in Barwell Urban Extension	2500 homes will be provided within the Barwell Urban Extension.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 14 – Employment in Barwell Urban Extension	The development will provide a minimum of 6.2ha of land for industrial and warehousing uses.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 15 – Neighbourhood Centre in Barwell Urban Extension	A neighbourhood Centre will be provided in the heart of the SUE.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 16 – General Highways Provision for Barwell Urban Extension	Outlines the highway provision required for the SUE.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 17- Walking and Cycling in Barwell Urban Extension	Outlines the walking and cycling routes to be extended/improved in relation to the SUE.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 18 – Carousel Park	Land to be allocated to extend the existing travelling show persons ground as identified by the Gypsy and Travellers Accommodation Needs Assessment.	No planning applications for the SUEs have been determined within this geographical area and therefore the policy has not needed to be used.
Policy 20 – Skills Development	Seek to negotiate commitments from developers to provide employment and training opportunities within construction.	There have not been any planning permissions large enough to enable the Council to seek developer contributions for this policy.

Policy 21 – Infrastructure and Delivery	Developers will be expected to provide additional or improved infrastructure, amenities or facilities through the appropriate funding mechanism.	This policy has been used 3 times.  However, it has been superseded by policy within the Site Allocations and Development Management Policies DPD.
Policy 25 – Safeguarding Open Space, Sport and Recreational Facilities	Seeks to protect open space, sport and recreational facilities.	This policy has been superseded by policy within the Site Allocations and Development Management Policies DPD

**MARKET BOSWORTH NEIGHBOURHOOD PLAN POLICIES USED DURING 2019/20:**

Policy	Objective	Times used in 2019/20
CE1 – Character and Environment	Sensitive development respecting the character of Market Bosworth	33
CE2 – Local Green Space	Protect and enhance existing open space and amenities	4
CE3 – Important Views and Vistas	Protect and enhance existing open spaces and important landscape characteristics	10
CE4 – Trees	Conserve and enhance important trees and wooded areas	4
CE5 – Landscape of the wider parish	Conserve and enhance the distinctive landscape outside the settlement boundary	5

**MARKET BOSWORTH NEIGHBOURHOOD PLAN POLICIES NOT USED DURING 2019/20:**

Policy	Objective	Comments
BD1 – Affordable Housing	Provide affordable housing with local people given priority	No applications for 11 or more dwellings have been determined within this monitoring period.
BD2 – Site allocation south of Station Road and Heath Road	Provision of housing and employment opportunities to meet the needs of the community	No application at the allocated site has been determined within this monitoring period.

BD3 – Design Guidelines for site allocation south of Station road and Heath Road	Provide a design brief to demonstrate how the development will address key concerns of the community	No application at the allocated site has been determined within this monitoring period.
----------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------

**SHEEPY NEIGHBOURHOOD PLAN POLICIES USED DURING 2019/20:**

Policy	Objective	Times used in 2019/20
S1: Countryside	Protecting the intrinsic character, beauty, heritage and wildlife of the countryside	13
S3: Locally Important Views	Protect open landscapes with extensive vistas dominated by natural features that characterise the parish	2
