- his or her qualifying address for the election is in the referendum area.

The qualifying address is the address a person is entitled to be registered at. The applicant or elector must be 'resident' at this address in accordance with electoral legislation. You can check whether you are registered to vote by calling 01455 238141.

Individuals, bodies and groups may campaign for a 'yes' or 'no' vote. There is a legal limit to the amount of money that can be spent campaigning. The referendum expenses limit is **£2458.64**. This limit was calculated based on the number of persons entitled to vote in the referendum as of 4 January 2022, which was **1638**.

The referendum will be conducted in accordance with procedures that are similar to those used at local government elections.

### **How and where can I vote?**
