Guide to Council Tax

What is Council Tax?

Each year the Government expects local authorities to raise money to help pay for the cost of providing local services. Some of this money comes from residents of the borough and is collected by the council in the form of council tax.

Where does the money go?

The money we collect from you is not all for Hinckley and Bosworth Borough Council. **In fact we keep only 7.1p in every pound.** The rest of the money is collected by us on behalf of a number of other authorities who also provide services in your area. These are:

- Leicestershire County Council
- Combined Fire Authority
- Police & Crime Commissioner for Leicestershire
- Local parish councils

In addition to the money collected from council tax payers we also receive:

- government grants
- rates paid by businesses
- fees, charges and other income

HOW EVERY POUND COLLECTED IS DISTRIBUTED

Paying council tax over 12 months

Council tax instalments can now be spread over 12 months instead of 10. Following your request the number of payments will be dependant on the number of months remaining in the financial year. Your request for 12 monthly instalments will automatically apply to the next financial year. If you would like to pay your council tax over 12 instalments please email your request detailing your name, address and reference number to revenues@hinckley-bosworth.gov.uk or contact the Customer Services Team on **01455 238141**.

FAQ's

I want to set up a Direct Debit to pay my council tax / business rates.

You can set up a Direct Debit using the instruction within this leaflet. Alternatively telephone customer services on 01455 238141 who will arrange this without the need to complete any paperwork. You can also set up a Direct Debit online at www.hinckley-bosworth.gov.uk

My bill states I pay by Direct Debit do I need to do anything?

No - the payments will automatically be taken from your account on the dates shown on your bill.

I have received a council tax bill and I don't understand why the amounts have changed?

There may be various reasons why the amounts have changed. Your entitlement to a discount or Council Tax Support may be different. If it is not clear from your bill or the accompanying letter please contact customer services.

My bill says I'm in a special expense area. What does that mean?

An urban area such as Hinckley does not have a Parish Council therefore the Borough Council takes on this role. Residents in other areas of the Borough pay their Parish Council for certain services and residents of Hinckley pay 'special expenses' to the Borough Council.

I want to let you know about a change of address/change in occupancy.

Please contact customer services or you can log onto www.hinckley-bosworth.gov.uk and complete an on-line form.

What is an applicable amount?

This is a weekly figure set by the Government and represents the basic living needs of the customer and family. All authorities will use this amount when calculating entitlement to benefit.

I have received my Council Tax Support award letter and the amount of savings (capital) quoted is different to the amount I now have in my account(s).

The figures used in the calculation will be based upon the amount of savings you had when you last applied. If you are of working age savings below £6,000 will not be taken into account when assessing entitlement. This figure is £10,000 in respect of pensioners.

The state retirement pension/welfare benefit amount shown on my benefit award letter is not quite what I receive.

Most DWP benefits are increased by a certain percentage each year which we work out for the new financial year. If your figure is not accurate please bring in your pension/benefit award letter so that we may adjust our records.

How we will use your information

It will be used by Hinckley & Bosworth Borough Council and our partners to deliver and fulfil our statutory duties. Council Tax Bills will vary according to the amount which local parish councils instruct us to collect and the special expenses which are levied solely in the urban area of Hinckley. These variations cover the costs of cemeteries, parks and poop scoop schemes.
