A person is entitled to vote in the referendum if on 10 July 2025:

- he or she is entitled to vote in a local government election in the referendum area and
- his or her qualifying address for the election is in the referendum area.

The qualifying address is the address a person is entitled to be registered at. The applicant or elector must be 'resident' at this address in accordance with electoral legislation. For most electors this means that they live at this address and conduct the main business of life there, but this is subject to certain exceptions including service voters, anonymous electors and those registered with no fixed address.

Applications to be included on the register of electors for this referendum must be received no later than 24 June 2025.

You can check whether you are registered to vote by calling 01455 238141.

Individuals, bodies and groups may campaign for a 'yes' or 'no' vote. There is a legal limit to the amount of money that can be spent campaigning. The referendum expenses limit is £2464.13. This limit was calculated based on the number of persons entitled to vote in the referendum, which is 1731.

The referendum will be conducted in accordance with procedures that are similar to those used at local government elections.

### **How and where can I vote?**

There are three ways to vote: in person, by post or by proxy.

#### In person

Vote at the polling station at;
