29th December 2021

Dear Sir/Madam

Re: Sheepy Neighbourhood Plan Consultation

Thank you for your notification received on the 2nd December 2021 in respect of the above consultation.

The Coal Authority is a non-departmental public body sponsored by the Department of Business, Energy & Industrial Strategy. As a statutory consultee, The Coal Authority has a duty to respond to planning applications and development plans in order to protect the public and the environment in mining areas.

Our records indicate within the Neighbourhood Plan area, as identified, there are no recorded coal mining features at surface or shallow depth which may pose a risk to surface stability and public safety. On this basis the Coal Authority has **no specific comments** to make on the Neighbourhood Plan proposed.

Yours sincerely
