Please ensure bins are presented by **7am** on your collection day. If bins are not presented we cannot return.

**Recycling rogues...**

(please put in your black bin)

**Dirty and greasy cardboard** can cause clean paper and cardboard around it to become unrecyclable also.

**Black plastic** cannot be detected by optical scanners during sorting at the recycling plant.

**Hard plastics** require more complex machinery to sort than the kerbside service can provide. Local Household Waste and Recycling Centres will take this type of plastic.
